LAND CRUISER

200 SERIES

LAND CRUISER

OVERVIEW

The Land Cruiser 200 is everything you need, no matter the road you choose.

The Land Cruiser legend has been built from over 60 years of unbeatable performance in environments the world over. In the stylish, spacious and powerful Land Cruiser 200 range, Toyota has proven for generations that tough, go-anywhere practicality can be engineered hand-in-hand with premium comfort and technology.

There is an amazing degree of comfort and technology onboard too, such as intuitive touchscreen controls, seamless Bluetooth hands-free phone and audio streaming connectivity, four zone independent air conditioning and sumptuous leather accented interior. And of course, every Land Cruiser 200 features a generous third row of seats for extra practicality.

Whether it's a trip to the snow or the premiere of a show, the Land Cruiser 200 is your dependable, premium partner for the journey ahead.

LAND CRUISER

PERFORMANCE

Unmatchable performance for every terrain

Powered by a mighty 4.5 litre twin turbocharged and intercooled diesel V8 engine, the Land Cruiser 200 will quickly get you on your way with 200kW of power and 650Nm of torque. The torque will also let you explore the Land Cruiser 200's capabilities as a reliable tow wagon for every New Zealand lifestyle, with a maximum braked towing capacity of 3,500kg.

The Land Cruiser 200 features an impressive array of all-terrain technologies, such as Multi-Terrain Select and crawl control. The Multi-Terrain Select system offers the driver several selectable terrain modes for assured off-road driving suited to specific conditions. While crawl control aids travelling at low speeds when traversing difficult terrain. It automatically controls engine output and vehicle braking to maintain a slower pre-set speed, as a result the driver can concentrate on steering while the vehicle speed is controlled.

The Land Cruiser 200's proven abilities when the track runs out are well-known, boasting a wading depth of 700mm. Not to mention, it has a ground clearance of 230mm, with an approach angle of 32° and a departure angle of 24° - the Land Cruiser 200 will get you almost anywhere.

Toyota is committed to ensuring an exceptional level of occupant safety and our engineers make sure every single Land Cruiser 200 is ready for whatever comes its way, both on and off the main road.

Toyota Safety Sense* is a package of active safety systems designed to keep you and your passengers protected in all types of traffic.

Included in the Toyota Safety Sense package for Land Cruiser 200 is: Dynamic Radar Cruise Control; Lane Departure Alert; Pre-Collision System with Autonomous Emergency Braking and Pedestrian Detection and Automatic High Beam.

*refer to last page

Dynamic Radar Cruise Control

Dynamic Radar Cruise Control helps make driving safer by keeping a constant pre-set distance between your vehicle and the vehicle ahead, enabling you to pay more attention to the road conditions and the vehicles surroundings.

Dynamic Radar Cruise Control operates when the vehicle speed exceeds approximately 40km/h and maintains an adjustable vehicle-to-vehicle distance by automatically accelerating up to a set speed or decelerating your vehicle to match the speed changes of the vehicle ahead without having to use the accelerator or brakes.

Lane Departure Alert

Lane Departure Alert is designed to reduce the possibility of an accident due to your vehicle unintentionally drifting out of its lane.

The system recognises visible white and yellow lane markings and if it detects the possibility of lane departure, will urge you to steer back into the lane using a warning buzzer and a visual display.

Pre-Collision System with Autonomous Emergency Braking and Pedestrian Detection

The Pre-Collision System uses a radar sensor and a camera to determine whether a frontal collision with another vehicle or pedestrian is imminent and if necessary, will warn you with an audio and visual alert to urge you to take evasive action.

It then prepares the Brake Assist system to provide maximum braking assistance, if you do not brake in time it may also automatically apply the brakes to help you avoid the collision or reduce the speed of the impact.

Automatic High Beam

Automatic High Beam is designed to help improve forward visibility when driving at night by making maximum use of the high beam headlights.

The system uses a camera to detect the headlights and taillights of vehicles ahead, or bright environments such as city streets, and automatically switches between high beam and low beam as required to avoid dazzling other drivers.

Ready to conquer!

Big city or back country, the Land Cruiser 200 VX gives you everything you need. The strong horizontal grille design with bold chrome frame extending into auto-levelling LED headlights underlines the wide stance of the tough and capable Land Cruiser 200. Rugged side steps are also standard along the Land Cruiser's flanks.

Land Cruiser 200 VX has a high level of interior ambience with premium leather accented seating and Qi wireless charging for compatible devices. A large 9-inch touchscreen display creates a central focus for navigation, entertainment, comfort settings and vehicle data for those in the front seats, while the driver will also enjoy the Optitron instrument cluster with 4.2-inch Multi-information Display (MID). The Land Cruiser 200 ensures you have eyes everywhere, with an impressive Multi-terrain Monitor system incorporating Underfloor View, Front View Rotating Display, Slip Display, Tilt Meter and Panoramic View capabilities.

With 8 seats the premium Land Cruiser 200 VX interior features four-zone independent air conditioning, ventilated front seats plus heated front and second row seats for absolute cabin comfort. Not to mention, with the third row of seats stowed, the spacious Land Cruiser 200 VX features 701 litres of luggage space (or 1267-litres with the second row also stowed).

LEATHER ACCENTED SEATS WITH 10-WAY DRIVER'S POWER ADJUSTMENTS & MEMORY FUNCTION. FRONT SEAT VENTILATION, FRONT & 2ND ROW SEAT HEATERS (AVAILABLE ON VX)

King off the road.

The Land Cruiser 200 VX Limited matches go-anywhere performance with premium level comfort and convenience technologies that will astound.

Impressive luxury details feature everywhere. A high-quality leather accented interior and powered glass sunroof add to the ambience, while the steering wheel heater and front cool box ensures that you are comfortable for the journey ahead.

And just when you're thinking the Land Cruiser 200 VX Limited is only suited to city life, think again. The suspension system at the front of the Land Cruiser VX Limited features a double wishbone system with torsion stabiliser bar, while the rear suspension is comprised of a four-link system with coil spring and torsion stabiliser bar. The Kinetic Dynamic Suspension System helps suppress body roll for on-road driving but on the most demanding roads and toughest tracks allows more flexibility in the suspension for better vehicle control and greater comfort. The Land Cruiser 200 VX Limited remains sure-footed in any scenario.

ACCESSORIES

Only Toyota Genuine Accessories are designed and manufactured to the same high standard as original parts. Fitting Genuine Toyota Accessories also ensures the integrity of your vehicle, with components tested to exacting standards for New Zealand conditions and backed by a 3 year or 100,000 kilometres* warranty. For more information on our Toyota Genuine Accessory range please contact your local Toyota Store or visit our website: www.toyota.co.nz *Whichever comes first. Warranty valid from when accessory fitted, at time of new vehicle purchase at your Toyota Store.

Alloy Bull Bar (front bumper replacement) The Toyota Genuine Alloy Bull Bar is made from high tensile aluminium alloy for maximum protection and durability in the harshest conditions. It incorporates fabricated side sections with cast uprights for added stiffness and a premium appearance. With its updated side approach angle, it makes off-road driving easier. It also includes mounting provisions for driving lights and antennas along with LED combination lamps and daytime running lamps.

Alloy Nudge Bar Constructed with stainless steel tubing, the Toyota Genuine Nudge Bar protects your LC200 from minor knocks and bumps in the urban environment while integrating with its rugged appearance. The Nudge Bar has been subject to Toyota's rigorous strength, durability and environmental testing to ensure its long-term effectiveness. The unique bracket system has been developed in tandem with the vehicle to ensure correct deployment of airbags. The Nudge Bar comes with a mounting platform for driving lights.

Front Weathershield The Toyota Genuine Weathershields restrict the entry of wind and water when driving with windows in the slightly open position. This allows air flow through the cabin without exposing the occupants, interior and trim to the weather.

LED Headlight Protectors Toyota Genuine Headlight Protectors provide added protection from insects, stone-chips and damage. Made from high strength acrylic which is resistant to cracking and UV discoloration, Toyota Genuine Headlight Protectors are easy to remove for cleaning and help you keep your stylish Land Cruiser 200 looking brand new.

Acrylic Bonnet Protector (clear) The integrated design of the Toyota Genuine Bonnet Protectors complements your Land Cruiser 200's appearance, while offering added protection to the vehicle from light damage and road debris. They are made from a clear high-strength acrylic that is resistant to cracking and UV discoloration.

Towbar & Wiring Harness The removable tongue towbar and accessories allow you to tow a maximum braked load of 3500kg and unbraked load of 750kg. Tested to stringent standards you'll have peace of mind no matter what you tow.

LAND CRUISER 200 SPECIFICATIONS

	VX	VX LIMITED	
MECHANICAL SPECIFICATIONS	4.5-litre V8 twin turbocharged diesel engine, 32 valve Quad cam design with intercooler. Maximum power of 200kW is produced @ 3600rpm and maximum torque is 650Nm @ 1600-2800rpm. Common rail direct injection system	.	.
	Fuel tank capacity 138-litres (93L + 45L sub). Fuel consumption: 9.5L/100km* (combined ADR 81/02); CO ₂ emissions 250g/km* (combined ADR 79/04 & ADR 30/01). EURO 5 emissions standard compliant	.	.
	6-speed automatic transmission with sequential shift mode; Full-time 4WD with high-low ratio selection. Torsen Limited Slip centre Differential (LSD) with locking switch	.	.
STEERING, BRAKES & SUSPENSION	Steering: Engine speed sensitive power-assisted rack and pinion. Minimum turning circle is 11.8 metres with 3.14 turns lock to lock	.	.
	Brakes: Front and rear ventilated disc. Centre lever handbrake	.	.
	Front suspension: Double Wishbone with Torsion Stabiliser Bar. Rear suspension: Four-link with Coil Spring and Torsion Stabiliser Bar	.	.
	Kinetic Dynamic Suspension System (KDSS)	.	.
EXTERIOR FEATURES	LED headlights with Automatic High Beam system, headlight cleaners, automatic headlight levelling; daytime running lights; front fog lights with chrome surround; LED rear combination lights; rear high mounted stop light	.	.
	LED headlights with black finish and Automatic High Beam system, headlight cleaners, automatic headlight levelling; daytime running lights; front fog lights with shadow chrome surround; LED rear combination lights; rear high mounted stop light	.	.
	Chrome front grille surround with grey painted inner; body coloured electric exterior rear view mirrors with auto-fold and auto-dimming, memory function and heaters	.	.
	Shadow chrome front grille with black painted inner; body coloured electric exterior rear view mirrors with chrome trim, auto-fold and auto-dimming, memory function and heaters	.	.
	Side steps, front and rear mudflaps	.	.
	Body coloured exterior door handles with smart key sensors; 2 x front and 4 x rear parking sensors; rear privacy glass; roof rails: 18" alloy wheels fitted with 285/60R18 tyres, full size alloy spare wheel	Black	Black gloss
INTERIOR FEATURES & CONVENIENCE	Black leather accented interior; driver and front passenger seats with power slide, recline, cushion tilt functions, seat height adjustment and driver's lumbar support, front headrests with manual height adjustment; front seat ventilation, front and 2nd row seat heaters; front seat back pockets; 40/20/40 split folding 2nd row seats with slide, recline, fold and tumble functions, seat centre armrest, headrests with manual height adjustment; 50/50 split folding 3rd row seats with fold function; 3rd row headrests with manual height adjustment	.	.
	4 spoke leather steering wheel with audio, multi-information display, Bluetooth® voice controls; power tilt and telescopic steering column adjustment with memory; Optitron instrument panel; leather and metallic style gear lever; woodgrain style steering wheel, dashboard and door inserts for VX Limited	.	.
	Front and rear 4 zone climate control air conditioning control panels with digital display; clean air filter with pollen filter; outside temperature display	.	With coolbox
	Power windows with one touch auto up/down and anti-jam safety function	.	.
	Smart entry and push button start with remote central door locking/unlocking; key fob panic button function; power upper back door	.	.
	Telescopic adjustable front sun visors with illuminated vanity mirrors, covers and sub-visors; overhead console with sunglasses holder; front and rear cup holders; assist grips; storage compartments in luggage area; accessory power outlets - 2 x 12V, 1 x 220v	.	.
	Power glass sunroof with tilt and slide functions; front door LED courtesy lights with Land Cruiser logo	.	.
	Wireless charger for smart phone (Qi compatible devices only)	.	.
AUDIO & CONTROLS	9" touchscreen display; audio system with radio, CD/DVD player, Bluetooth® handsfree phone capability with audio streaming and voice recognition, 9 speakers, USB and AUX input	.	.
	Satellite Navigation	.	.
	4.2" Multi Information Display (MID) with twin trip meters, gear lever position, driving range, speed, current and average fuel consumption, warning functions, steering angle display	.	.
	Multi-terrain monitor (4 camera system)	.	.
SAFETY AND SECURITY	5-star ANCAP 2011 safety rating	.	.
	Toyota Safety Sense: Pre-Collision System with Autonomous Emergency Braking, pedestrian detection features, Dynamic Radar Cruise Control, Lane Departure Alert, Automatic High Beam	.	.
	Driver and front passenger front, knee and side airbags; 2nd row side airbags; roll sensing curtain shield airbags	.	.
	Anti-lock Braking System; Electronic Brake-force Distribution, Brake Assist; Emergency Stop Signal	.	.
	Vehicle Stability Control; Active Traction Control; Crawl Control with Turn Assist; Trailer Sway Control	.	.
	Hill-start Assist Control, Multi Terrain Select with auto mode	.	.
	2 x 3-point ELR front seat belts with pre-tensioners and force limiters; driver and passenger seat belt warning lights and buzzer; adjustable front seat belt anchors; 3 x 3-point ELR 2nd row seat belts with pre-tensioners and adjustable seat belt anchors for outer seats; 3 x 3-point ELR 3rd row rear seat belts	.	.
	Child restraints: 3 x tether anchors and 2 x ISOFIX points in outer 2nd row seats; child proof rear door locks	.	.
	Blind Spot Monitor; Rear Cross Traffic Alert	.	.
	Reversing Camera with dynamic guidelines, multi-terrain monitor with panoramic view	.	.
Tyre pressure warning system	.	.	
Engine immobiliser and alarm system	.	.
