COROLLA GLX IN MOONLIGHT

COROLLA *SEDAN*

The Corolla is one of the world's most loved cars. With such a heritage of reliable, economical and safe motoring, for over 40 years the Corolla has been the car both your mum and your mechanic will recommend. The Corolla Sedan is an enormous part of the Toyota family, so it's perfect for your family too.

Across successive generations the Corolla Sedan has continued to provide practical motoring for millions. Now, with new exterior design, customer focussed specifications, improved safety features and a premium-feel interior, we're proud to showcase the best Corolla Sedan yet.

COROLLA GX

The practical GX is bursting with the sort of convenience features and standard technology that will surprise.

A spacious cabin, with impressive features such as a reversing monitor, 5-star ANCAP safety rating, rear park assist and Bluetooth hands-free capability makes the GX a fantastic proposition for businesses and families alike.

COROLLA SEDAN GX IN SILVER PEARL

The GX steering wheel features numerous convenient controls for the audio and Bluetooth phone system, as well as display settings and cruise control.

The GX features high grade black fabric seat material with complimentary coloured stitching. As in all Corolla Sedans, there is plenty of room in this quiet, refined cabin.

The rear seats offer the added flexibility of 60/40 split folding, allowing better utilisation of boot space when carrying longer items. The centre armrest features integrated cup holders.

The exterior lines of the Corolla Sedan GX feature chrome accents front and rear that draw attention to the car's stylish, modern and European-inspired design.

The clever exterior design is a combination of sensuous curves and crisp lines that wrap around the generously sized interior.

Giving you even more premium with your practicality, the GLX builds on comprehensive specification with even more impressive features, such as a smart entry and start system which allows the driver to unlock the doors and start the car just by having the key in their pocket or bag, along with a Multi-Information Display (MID) screen, fog lights and stylish 16" Alloy wheels.

COROLLA SEDAN GLX IN WILDFIRE

Double sealed door openings and extra sound absorption material in the bonnet structure makes for better noise insulation and a quieter, more tranquil cabin.

The GLX features a smooth, seamless Continuously Variable Transmission (CVT) with sequential shift.

There is plenty of space inside the Corolla Sedan GLX, with fantastic head and shoulder room for all occupants. The blend of premium fabric and matte surface textures creates a modern interior that's easy on the eye.

The Corolla Sedan GLX adds more sparkle to proceedings, with fog lights, dual 'V-Design' 15-spoke 16" Alloy wheels and a signature chrome-plated horizontal strip that spans the entire width of the car's grille, headlights and again on the door handles.

In addition to the standard reversing monitor, the GLX also features parking sensors both front and rear, meaning you're always well within your limits in even the tightest urban environments.

COROLLA ZR

FRONT WHEEL

The top of the range Corolla Sedan ZR boasts genuine leather seat facings and premium technology, including LED Daytime Running Lights (DRL), an integrated alarm system, paddle shifters on the steering wheel, rain sensing windscreen wipers, climate control air conditioning and satellite navigation with SUNA traffic updates.

COROLLA SEDAN ZR IN SUNSET BRONZE

The Corolla Sedan range is longer, wider and lower than previous generations benefiting all who ride inside. The crisp exterior styling and high level of finish positions Corolla ZR at the head of the world's best selling family of cars.

Genuine leather front seat facings feature in the range-topping ZR. The front seats also feature power slide and recline functionality, with the driver's seat adding vertical height and lumbar adjustment.

The Corolla Sedan ZR features an audio system boasting a 6.1" display, which provides access to audio functions, satellite navigation with SUNA traffic information, trip data and as a reversing monitor.

In Corolla Sedan ZR the comfort of leather is combined with the practicality of 60/40 split folding seat backs so your passengers can sit in comfort or the long objects from your shopping trip can slide through from the boot.

The Corolla Sedan features luggage capacity that measures incredibly well even against larger cars. With a 470L boot, there's space for everyone's belongings - or up to four full-size golf bags.

Performance for everyone

Corolla Sedan arrives with the proven reliability of Toyota's fuel efficient 1.8L four cylinder petrol engine which packs a 103kW punch, with 173Nm of torque.

Thanks to dual Variable Valve Timing-intelligent (VVT-i), which improves both engine performance and overall efficiency, there's plenty of power on-tap, whether you're sticking strictly to the urban highways and byways, or heading out of town with a full complement of passengers.

With impressive combined fuel economy of 7.0L/100km for the manual GX or 6.6L/100km for the Continuously Variable Transmission (CVT) available in all grades, your journey won't cost the earth either.

Features that make a difference

With a peerless reputation for practicality and reliability, the new generation Corolla Sedan also arrives packed with convenience features and technology that will surprise. Mixing a comprehensive selection of standard equipment with the option of three distinct grades and a stylish exterior design, there is a Corolla to suit every driver, every day.

COROLLA SEDAN ZR IN WILDFIRE

EXTERIOR - a new design direction

Through successive generational updates across a remarkable 40 year evolution, the Corolla Sedan has always retained unique exterior design cues and compact dimensions that make it endlessly usable.

The Corolla Sedan features a European-inspired stylish grille design with chrome-plated horizontal accent. The GLX and top spec ZR models also sport uniquely patterned 16" Alloy wheels for extra flare.

INTERIOR - high tech, high quality

The Corolla Sedans good looks are complemented by high quality fabrics, genuine leather seat facings (in the ZR) and textured surfaces.

Before you enter the Corolla Sedan you'll note the intuitive new smart entry and start system on GLX and ZR models, which allows the driver to unlock or lock the doors and start the engine, all while the key remains in their pocket or handbag.

The driving position has been re-engineered for greater comfort and variation, with adjustments to the steering column angle and driver's seat height adjustment, allowing you to find the most suitable seating position in an instant. Meanwhile, even with a full complement of passengers onboard, there remains plenty of head, shoulder and knee room for all, with the 60/40 split folding rear seat and a spacious luggage area underlining the Corolla's practical reputation.

Tilt and telescopic steering, air conditioning (or climate control air conditioning for ZR) add to the clever, quality feel of the Corolla Sedan. Bright, high grade meters and Multi-Information Display (MID) screen allow you to see vital trip information at a glance while on the move.

All Corolla Sedans feature a factory audio system boasting a 6.1" display. Providing access to audio and Bluetooth hands-free functions, and trip data, the display screen also acts as the monitor for the reversing camera.

Corolla Sedan ZR has a satellite navigation system featuring SUNA traffic avoidance system. This system provides the driver with alternative route information, ensuring you avoid the worst of the traffic congestion on those busy commutes across town.

All models have AUX and USB connection ports positioned on the lower instrument panel. Up top there is a 6.1" colour touchscreen display with radio, CD player, Bluetooth hands-free phone capability and audio streaming, as well as a reversing monitor display.

The GX is available with either a 6-speed manual transmission or CVT transmission with sport sequential manual mode. The CVT transmission is available across the range and incorporates speed ratio control logic, which helps provide for a smoother, more intuitive drive experience.

The multi-function steering wheel has control buttons for audio, phone, cruise control and display functions, meaning you can stay connected and informed on the move without having to reach for the centre console.

With plenty of occupant room front and back, along with a 470L boot capacity to comfortably take up to four golf bags, the Corolla Sedan is a medium-sized car that boasts the attributes of a much larger sedan.

The expressive design of Corolla Sedan inside and out presents a crisp new face to the world. From small details like wind deflecting fins to the taut bodylines, Corolla Sedan is made for today's roads.

Available on GLX and ZR models, the smart entry and start system enables the driver to lock and unlock doors, and start the engine just by carrying the key in their pocket or a bag.

Corolla Sedan has achieved 5-stars in the ANCAP safety test.

COROLLA SEDAN ZR IN MOONLIGHT

Safer than ever

The 5-star ANCAP rated Corolla Sedan range gives you peace of mind wherever your travels take you.

What's more, Vehicle Stability Control (VSC) and Traction Control (TRC) work together to keep the car on a stable footing in tight corners or where road conditions become hazardous, are standard safety equipment on all Corolla Sedans.

There is a full complement of airbags onboard, including driver and passenger front, front side, front/rear curtain shield and driver's knee protection.

All seating positions feature 3-point, Emergency Locking Retractor (ELR) seatbelts, while the front seats also feature pre-tensioners and force limiters. Two ISOFIX child seat tether anchor points are in each of the outer rear seating positions.

The Corolla Sedan range also now features a reversing camera and full colour monitor with guidance lines, along with rear parking sensors. The GLX and ZR grades also feature front parking sensors; together this comprehensive line-up of sensors is designed to keep you and your loved ones safe.

Corolla Sedan occupants are well protected with driver and passenger front, front side, front/rear curtain shield and driver's knee airbags.

Three tether anchor fixing points on the rear parcel shelf enable child seating to be easily attached.

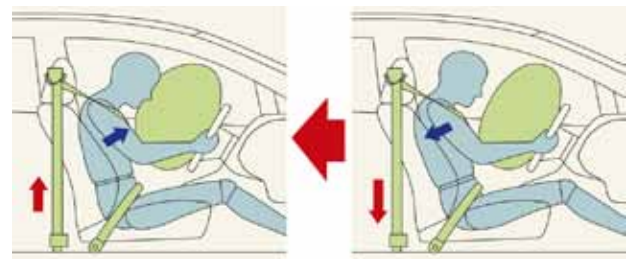

A reversing camera and rear parking sensors as standard across the range - part of Toyota's commitment to keeping you and your loved ones safe.

The foundation for Corolla Sedan safety is a body built of high-grade steel designed to protect all occupants.

Highly visible LED Daytime Running Lights (DRL) ensure you'll be seen sooner in Corolla ZR.

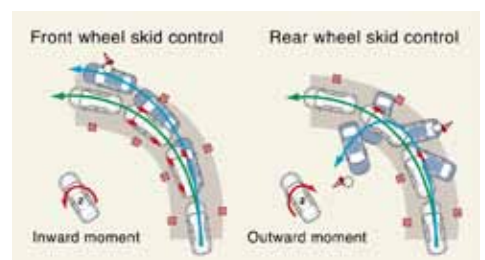

Front seat pretensioners instantly tighten the seat belts at the time of a collision to help enhance occupant restraint performance. The force limiter function loosens the seat belts while maintaining the load to help mitigate the impact to the chest regions of the front seat occupants.

Brake lights and the high stop light on Corolla Sedan ZR are LED for efficiency and powerful illumination.

Driver's of all models benefit from a rear view camera with static backing lines.

All Corolla Sedans benefit from the added safety of Vehicle Stability Control (VSC) and Traction Control (TRC).

Make Corolla Sedan your own

With a practical, sporty Corolla Sedan suited for every driver, there are also Toyota Genuine Accessories available to add that unique touch to your car. Only Toyota Genuine Accessories are designed and manufactured to the same high standard as original parts. Fitting Toyota Genuine Accessories also ensures the integrity of your vehicle, with components tested to exacting standards for New Zealand conditions and backed by a 3 year or 100,000 kilometres* warranty.

*Whichever comes first. Warranty valid from when accessory fitted, at time of new vehicle purchase at your authorised Toyota Dealer.

Acrylic bonnet and headlight protectors (sold separately) are custom-shaped to protect the bonnet and headlight areas from stone chips, insects and paint damage. They are manufactured to be tough and resistant to UV discolouration as well.

The fixed tongue towbar and accessories allow you to tow a maximum braked load of 1300kg and unbraked load of 450kg with your handy, versatile Corolla Sedan.

This set of acrylic slimsline weathershields allow fresh air into the cabin while protecting you from the elements. They are lightly tinted to reduce glare and resistant to UV discolouration.

Protect your seats from daily wear and tear with high quality fabric seat covers. Boasting excellent wear resistance, they are easy to clean for lasting good looks. Finely tailored to fit snugly, the covers allow easy access to front seat map pockets and are side airbag compatible.

Protect the floor area of your Corolla Sedan from daily wear and tear with tailored carpet floor mats, woven from premium quality materials. Featuring distinctive Corolla branding, the driver's side floor mat features two retaining clips to ensure it stays securely in place.

Add some flare to your Corolla Sedan while improving the aerodynamics. Constructed from high quality lightweight plastic, the rear spoiler has been designed by Toyota to complement your Corolla. Note: requires painting.
