PREVIA

PREVIA SAFETY

Built into Previa is a standard safety package including Traction Control (TRC) and Vehicle Stability Control (VSC). If the vehicle starts to skid due to a sudden change in direction on a damp or twisty road, VSC will work to restore control. TRC complements VSC by limiting wheelspin during acceleration.

1 Previa's safety starts with an impact absorbing body structure and side door impact bars. Technology managing the vehicle's on road behaviour includes an Anti-lock Braking System with Electronic Brake-force Distribution and Brake Assist as well as Vehicle Stability Control, Traction Control and Hill-start Assist Control.

2 The airbag package includes driver and front passenger, driver's knee, front side and full length curtain shield airbags. The 2nd row seats include 3 tether anchors and 2 ISOFIX points.

3 Previa's spirited performance comes from the intelligent 2.4 litre engine with VVT-i which optimises intake valve timing to improve power, reduce fuel consumption, and cut harmful exhaust emissions.

4 Previa's Continuously Variable Transmission (CVT) with 7-speed sport sequential manual mode makes driving even more pleasurable.

1 PREVIA IN GLACIER WHITE

PREVIA

For years the Toyota Previa has represented the exemplary people mover. In a segment where there were once only vans with seats, Previa emerged as an innovative vehicle with a solid reputation for intelligent design, quality and unshakable dependability. Once again this fifth generation Previa proves that families and groups wanting a multi-purpose vehicle don't have to compromise on style.

Previas is a dedicated people carrier with the feel, performance and comfort of a car and the space and adaptability of a wagon. Previa truly is the only car you'll ever need.

Transporting up to eight occupants is a heavy responsibility. That's why Toyota engineers have carefully considered whatever may lie around that next corner, incorporating numerous active and passive safety features to keep you safe.

PREVIA IN SILVER PEARL

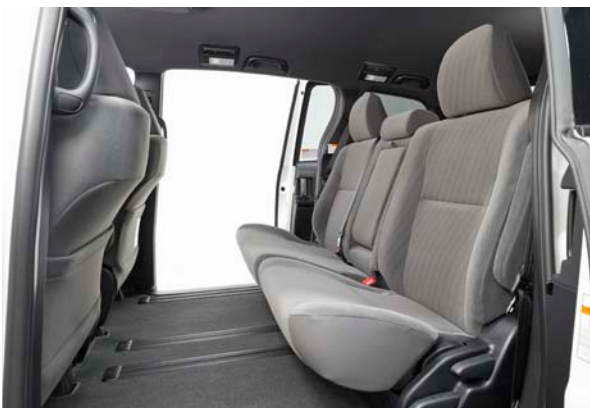

2 PREVIA IN GLACIER WHITE

- 1 Previa's smooth aerodynamic styling has always separated it from box style vans.
- 2 Previa features automatic dusk sensing halogen headlights and separate fog lights to help increase your visibility on the road.
- 3 Front and rear parking sensors help you guide Previa into those tight parking spots.

- 1 You will feel instantly at home inside Previa's bright and airy cabin. Designed with an emphasis on space, Previa comfortably accommodates eight adults and luggage. Dual sliding side doors make for easy loading of people and cargo, even in cramped parking spaces.
- 2 Continuing on a theme of elegantly crafted simplicity, the dash layout positions all important controls within easy reach. The dash-mounted gear lever ensures a clear floor between the front seats allowing easy passenger movement and maximising storage space. Front dual-zone climate control air conditioning and a rear passenger cooler provides the perfect temperature throughout the seating area.
- 3 Useful technology such as bluetooth phone, audio connectivity and voice recognition gives you the ability to access music, link up your phone wirelessly and take incoming calls without needing to take your hands off the steering wheel.
- 4 The multi-function steering wheel provides the driver with access to a 4.2" Multi-Information Display (MID).
- 5 With dual side doors, 2nd row walk in system and a flat floor throughout, finding your favourite seat is easy.
- 6 2nd and 3rd row seats can be folded in numerous configurations or fully reclined.
- 7 Previa's intuitive smart key system allows you to start the engine without taking the key fob out of your pocket.

PREVIA SPECIFICATIONS

MECHANICAL SPECIFICATIONS	Engine: 2.4 litre petrol engine, 4 cylinder In-line 16 valve DOHC (Double Overhead Cam) design with VVT-i (Variable Valve Timing-intelligent). Maximum power of 125kW is produced @ 6000rpm and maximum torque is 224Nm @ 4000rpm. Electronic fuel injection system	
	91 octane petrol is required. Fuel tank capacity is 65L	
	Fuel consumption*: 8.9L/100km (ADR 81/02 combined); CO ₂ emissions 207 g/km (ADR 81/02 combined); EURO5 emissions rating	
	Continuously Variable Transmission (CVT) with 7-speed sport sequential manual mode, uphill/downhill shift control and lock-up control	
STEERING, BRAKES, SUSPENSION	Steering is engine speed sensitive rack and pinion. Minimum turning circle is 12.2 metres with 3.3 turns lock to lock	
	Braking is by power-assisted ventilated front disc and solid rear disc brakes	
	Anti-lock Braking System (ABS) with Brake Assist (BA); Electronic Brake-force Distribution (EBD); Pedal type mechanical parking brake	
	Front suspension is MacPherson struts with hydraulic shock absorbers and stabiliser bar. Rear suspension is torsion beam type with coil springs	
EXTERIOR FEATURES	Wheels are steel 6.5Jx16" fitted with 205/65R16 steel belted radial ply tyres. Full size spare wheel	
	Laminated windscreen; washer-linked variable intermittent wipers with mist function; green tinted front side glass with UV reduction; water repellent front side glass; rear side and rear door privacy glass with UV reduction; intermittent rear wiper	
	Automatic dusk sensing halogen headlights with light control system (auto on/off) and manual levelling. Front fog lights	
	Body coloured front and rear bumpers and exterior door handles. Electric exterior rear view mirrors with LED turn signal lights	
	Chrome front grille	
	Left and right sliding doors	
INTERIOR FEATURES & CONVENIENCE	Seats 8. Front seats with slide/recline functions and inner armrests; driver's seat height adjustment; 2nd row seats with 60/40 split folding, slide and recline functions with centre armrest; 3rd row seats with 60/40 split folding, recline and tumble forward functions. Rear seat walk-in system. Grey fabric seat material and door trim	
	Illuminated entry system which includes room lights, door lights and start button; front and rear personal lights	
	Smart start system	
	3-spoke urethane steering wheel with audio controls; cruise control. Tilt and telescopic (manual) steering column	
	Dual-zone climate control air conditioning. Clean air filter with pollen filter	
	Synthetic leather dash fascia with contrast stitching	
	Front and rear power windows with auto up/down, anti-jam safety function and key-off operation	
	Storage includes overhead console with conversation mirror, rear console box, eight cupholders, door pockets with bottle holders and lockable glovebox	
	Rear cooler with passenger controls	
	Luggage tie-down hooks	
	4.2" Multi-information Display (MID) with average fuel consumption, elapsed time, average vehicle speed, driving range, ECO driving indicator display	
AUDIO	6.1" touch screen, AM/FM radio, single disc in-dash MP3/WMA CD player, USB connection (iPod control is audio only), Bluetooth handsfree phone capability and audio streaming, voice recognition. 6 speakers. Antenna in rear quarter window	
SAFETY AND SECURITY	Vehicle Stability Control (VSC); Traction Control (TRC); VSC/TRC on/off switch; Hill-start Assist Control (HAC)	
	Airbag system includes driver and passenger front, front side, front/rear curtain shield and driver's knee	
	Seat belts are front - 2x3-point ELR with pre-tensioners and force limiters; 2nd row - 2x3-point ELR outer and 1x3-point ELR centre; 3rd row - 3x3-point ELR	
	Seatbelt warning light for driver and front passenger	
	Front headrests, active with height adjustment; rear headrests with height adjustment	
	Child proof rear door locks; child restraint system - 3 x tether points and 2 x ISOFIX points	
	Remote central door locking; engine immobiliser	
	Side door impact bars; high stop light	
DIMENSIONS	Overall length:	4795mm
	Overall width:	1800mm
	Overall height:	1750mm
	Wheelbase:	2950mm
	Gross vehicle weight:	2430kg
	Kerb weight:	1725kg - 1795kg
	Maximum towing capacity - braked/unbraked:	1600kg/600kg
	Luggage capacity:	1100L
	Loadspace length/width/height:	825mm/1280mm/1015mm

Because Toyota believes in going the extra mile we offer comprehensive support and a great range of products and services for our valued customers.
