HILUX

4WD RANGE

HILUX

THE BENCHMARK. REBUILT.

Since its introduction to our rugged terrain 42 years ago, the Hilux has proven itself as a trusted partner for both work and play for New Zealanders everywhere.

Whether in the back country or the big city, the Hilux provides proven performance; a versatile, rugged, dependable ute that offers an incredible level of standard specification and interior comfort.

Toyota ramps up the attitude with the Hilux SR5 Cruiser; the pinnacle of the comprehensive 21-strong model Hilux range.

Featuring exclusive rugged exterior styling elements paired with premium interior detailing such as leather-accented upholstery and the latest instrument cluster technology, the Hilux SR5 Cruiser matches head-turning looks with all the built-in strength and practicality this iconic nameplate stands for.

Hilux Double Cab SR5 Cruiser

- 1 Hilux SR5 Cruiser boldly wears its unique frontal design that sets it apart from the rest of the Hilux range
- 2 With a 31-degree approach and 26-degree departure angle, the Hilux SR5 Cruiser 4WD will overcome the obstacles lying in your path
- 3 The Hilux SR5 Cruiser 4WD boasts a 700mm wading depth (at 10km/h), ensuring water fording can be completed with confidence
- 4 The stylish 18" black alloys that are a unique feature of the Hilux SR5 Cruiser grade ute and include a full-sized spare wheel

The Hilux SR5 Cruiser stands apart from the pack with individual styling that reinforces its position as a unique edition to the range.

Featuring a boldly accented black hexagonal upper grille which sits above a revised front bumper design and between black garnish-framed LED fog lights, the Hilux SR5 Cruiser's tough exterior embellishments extend the full length of the ute.

Eclipse black door mirrors, door handles, a matte black tailgate handle and a charcoal rear bumper (with uniquely moulded black and grey rear step) serve to contrast memorably with any of the seven exterior colours the Hilux SR5 Cruiser is available in.

The Hilux SR5 Cruiser also features a body graphics package, while the 18" gloss metallic black alloy wheels and 265/60 tyres elevate this stand-out utility to another level.

- 1 The SR5 Cruiser's unique interior includes black roof lining. Premium quality materials - piano black and silver accents abound while blue illumination adds a classy touch
- 2 The Hilux Double Cab SR5 Cruiser features premium leather accented upholstery with contrasting silver stitching
- 3 Integrated Satellite Navigation is standard in the SR5 Cruiser models. This system also features SUNA Traffic Avoidance System that provides an alternative route to keep you moving (traffic information only available in some regions)
- 4 High and Low range 4WD can be selected quickly and easily, by utilising a simple switch in the centre console
- 5 A 4.2" full colour Multi-Information Display (MID) is standard in Hilux SR5 Cruiser
- 6 The multi-function steering wheel provides the driver with access to Bluetooth connected phone and media, as well as Voice Recognition and Multi-Information Display (MID)
- 7 The 5-Star ANCAP Safety rated Hilux SR5 Cruiser comes standard with 7 airbags

Hilux Double Cab SR5

DOUBLE CAB SR5 UTILITY 2.8 DIESEL TURBO 6-SPEED iMT MANUAL DOUBLE CAB SR5 UTILITY 2.8 DIESEL TURBO 6-SPEED AUTO

The popular Hilux Double Cab SR5 is the ultimate dual purpose truck; as versatile and practical on the work site as it is towing the boat to the family beach house.

Today we expect so much more from the modern ute and the Hilux SR5 is designed to deliver.

With an efficient turbo-diesel engine and a comfortable interior featuring convenience items such as Satellite Navigation and a reversing camera as standard. The Hilux Double Cab SR5 represents all the rugged reliability the Hilux name holds and redefines what a 'family vehicle' can truly be.

- 1 The Hilux Drive Selector lets you choose between two wheel-drive, low-range and high-range four-wheel drive
- 2 SR5 models feature Integrated Satellite Navigation. This system also features SUNA Traffic Avoidance System that provides an alternative route to keep you moving (traffic information only available in some regions)
- 3 In the Hilux Double Cab SR5 the Climate Control Automatic Air Conditioning system is accessed through intuitive LCD display controls
- 4 The Hilux Double Cab SR5 is available with either a six-speed iMT manual or six-speed automatic transmission
- 5 The Hilux Double Cab SR5 has keyless entry and a smart start system

- 1 The Hilux SR5 double cab features tough underbody protection that offers greater resistance to deformation when you're off the tarmac
- 2 17" alloy wheels are standard on Hilux SR5 variants, as are all-terrain tyres suitable for challenging conditions
- 3 All Hilux SR5 models feature privacy glass in the rear doors, offering extra security and sun protection
- 4 The Hilux SR5 features a wide front track of 1535mm, helping underpin the superior stability the ute exhibits on a variety of surfaces
- 5 A maximum wading depth (at 10km/h) of 700mm ensures the Hilux SR5 will keep on going when goat track turns to creek bed
- 6 Every Hilux features ventilated front disc brakes for improved stopping performance
- 7 The revised suspension system includes a front stabiliser bar and shock absorbers which enhance durability and provide better control of body roll and impact harshness
- 8 Available in the Hilux SR5, the Euro 5 compliant 2.8-litre four-cylinder turbo diesel engine is quiet, clean and very fuel-efficient

Hilux Double Cab

DOUBLE CAB CHASSIS 2.8 DIESEL TURBO 6-SPEED MANUAL

DOUBLE CAB UTILITY 2.8 DIESEL TURBO 6-SPEED MANUAL

DOUBLE CAB UTILITY 2.8 DIESEL TURBO 6-SPEED AUTO

Toyota's engineers have been where you've been and they've seen for themselves the conditions you operate in; they understand New Zealand's varied landscapes and what New Zealand drivers expect of their truck.

If it takes a team to tackle your task at hand, the Hilux Double Cab is the vehicle to transport you and your crew to your next job site.

The proven Hilux Double Cab is available with either a tough wellside tray, or in cab-chassis format, ready to receive the rear deck solution that suits your specific needs best.

Hilux Double Cab utes featuring Toyota's reliable six-speed automatic transmission boast an incredible 450Nm of torque between 1600rpm and 2400rpm while the six-speed manual delivers 420Nm of torque between 1400rpm and 2600rpm.

- 1 Even though the Hilux Double Cab is designed for tough work situations, it still features plenty of handy technology onboard, such as a reversing camera
- 2 Heavy-duty suspension and a generous maximum payload means all Hilux Double Cab models are truly versatile load carriers
- 3 Recessed tie-down points along the lip of the tub ensure wellside tray equipped Hilux Double Cab utes arrive ready to haul bulky loads with ease
- 4 The Hilux Double Cab features 17" steel wheels as standard
- 5 All the hallmarks of the Hilux's rugged exterior design remain on the Double Cab, including a wide horizontal grille and muscular wheel arches
- 6 A superior ride-height, together with Toyota's proven 4WD system ensures the Hilux Double Cab remains the perfect team transport, even when work takes you off the beaten track
- 7 As well as operating in standard mode all Hilux models can be operated in ECO Mode when the driving is easy or Power Mode when the going gets tough

- 1 The Hilux Double Cab boasts a six-speaker stereo system accessed through a 7" touchscreen
- 2 The Hilux Double Cab features a comprehensive 7 airbag system that includes front and rear curtain airbags as well as a drivers knee airbag
- 3 Downhill Assist Control is a standard feature on SR grade double cab auto and SR5 grade manual and auto variants
- 4 There is plenty of room for all the team inside the Hilux Double Cab, with 1480mm of shoulder room and 1168mm of cabin height between the floor and head-lining
- 5 Three-point Emergency Locking Retractor (ELR) seatbelts are provided for all five seating positions in the Hilux Double Cab

Hilux Extra Cab

EXTRA CAB UTILITY 2.8 DIESEL TURBO 6-SPEED MANUAL

- 1 With a wellside tray load length of 1810mm, the Hilux Extra Cab really does increase the dimensional ability of this reliable ute
- 2 Integrated side steps are also a mainstay of every 4WD Hilux model, including Extra Cab variants
- 3 Ground clearance is 284mm on Hilux Extra cab utility
- 4 The Hilux Extra Cab feature inner tie down hooks to secure your load
- 5 The deck structure incorporates extra ribbing and reinforcement and steel-plate brackets on tailgate struts
- 6 Reversing cameras feature on all Hilux models
- 7 Access to Extra Cab rear seats is made easy with a rear access door

Real convenience is everywhere in the Hilux Extra Cab, with the ability to take longer loads and still allow the driver and three passengers to enjoy a roomy interior.

There's plenty of room and specification for your workday or your weekend and when we say extra, that's exactly what we mean; extra storage, extra space and extra emphasis on the important details.

There is no compromising on high tech specification items either, such as an integrated reversing camera, or all the convenience of Bluetooth phone connectivity and audio streaming.

- 1 The rear bench provides room for extra crew when needed, as well as convenient and secure storage underneath the squabs
- 2 All S and SR Hilux variants feature easy to clean vinyl flooring
- 3 A high quality four-speaker stereo system is standard in all Hilux Extra Cab variants
- 4 The Hilux Extra Cab features durable black striped seat fabric, combined with black woven bolster fabric and grey stitching
- 5 The Hilux Extra Cab utility features Toyota's six-speed automatic transmission, for ease of operation

Hilux Extra Cab & Single Cab Chassis

EXTRA CAB CHASSIS 2.8 DIESEL TURBO 6-SPEED MANUAL

EXTRA CAB CHASSIS 2.8 DIESEL TURBO 6-SPEED AUTO

SINGLE CAB CHASSIS 2.8 DIESEL TURBO 6-SPEED MANUAL

SINGLE CAB CHASSIS 2.8 DIESEL TURBO 6-SPEED AUTO

The Extra and Single Cab Chassis models are classic workhorses that are the most adaptable Hilux models with go-anywhere 4WD ability and ready for you to add your own personal specification with a tray design to suit your needs.

Having decided on your own deck the only decision left is how much interior space is needed. If maximum load space is no.1 then you and your best mate will be fans of the Single Cab Chassis. The perfect in-between model is the Extra Cab Chassis that will take a handsome load on the flat deck tray and four people inside. Leave some passengers at home and there's space for precious items locked up in the cab.

Like their bigger brothers these models have the convenience of Bluetooth phone connectivity, audio streaming and a reversing camera.

- 1 They might be a straightforward machines, but the Hilux Cab Chassis models benefit from Toyota's rigorous research and development
 - 2 The Hilux Cab Chassis is powered by Toyota's reliable 2.8-litre four-cylinder turbo diesel engine with a choice of six-speed manual or automatic transmissions
 - 3 Halogen headlights, halogen Daytime Running Lights and a bold, horizontal grille design give the Hilux Cab Chassis models a recognisable face
 - 4 Build on your Hilux Cab Chassis even further with Toyota's extensive range of Genuine Accessories
-
- 1 Drivers of Single and Extra Cab Chassis variants can choose between manual or auto transmissions
 - 2 Robust fabrics ensure that the interior surfaces of your hard-working Hilux Cab Chassis are up to the challenges of a busy working life
 - 3 The driver and passenger seats in Hilux Cab Chassis variants are manually adjustable so you can get the right position quickly and simply
 - 4 The Hilux Single and Extra Cab variants feature convenience technology such as cruise control, power windows and Bluetooth phone connectivity and audio streaming
 - 5 The tenacious off-road ability of all Hilux 4WD variants is enhanced with a rear differential lock

NOTE: vehicles above shown with accessory trays fitted

Hilux Safety

Take two examples of the exact same model Hilux, with the exact same specification. Chances are these two utes will lead completely different lives; one might rarely see a paved road ever again, while the other might never leave tarmac. One might carry work tools and fencing wire, while another will routinely transport a family of five.

Aside from their rugged reliability, the other common bond these two utes will continue to share is Toyota's commitment to safety. The manufacturer's world-renowned engineers make sure every single Hilux is ready for whatever comes its way, both on and off the road.

Comprehensive standard safety features in the range-topping Hilux SR5 Cruiser include a reversing camera to ensure you have eyes everywhere. Assisting in keeping the ute placed where intended on the move, stability and traction control are standard, as are anti-skid brakes and an emergency stop signal.

Intuitive Vehicle Stability Control (VSC) ensuring safe cornering no matter what the conditions, because you never know what's around the next corner. The Hilux SR5 Cruiser also features Electronic Brake-force Distribution (EBD) and Brake Assist (BA) for even more control.

All Hilux variants are 5 Star ANCAP safety-rated and feature Toyota's proven Anti-lock Braking system (ABS), which gives you the confidence to control your ability to stop rapidly when you need to.

Toyota's Hilux SR5 Cruiser features driver and front passenger front and side airbags (including a driver's knee bag), and front and rear curtain shield airbags; 7 in all. And regardless of grade, all Hilux models are fitted with three-point ALR/ELR seat belts in every seating position.

Safety isn't just a priority for Hilux. The 5-Star ANCAP safety rating is testament to its renowned Toyota build quality.

Front seat pretensioners instantly tighten the seat belts at the time of a collision to help enhance occupant restraint performance. The force limiter function loosens the seat belts while maintaining the load to help mitigate the impact to the chest regions of the front seat occupants.

Hilux Accessories

You can't build the sort of solid reputation the Hilux range enjoys without testing, refining and engineering a vehicle to ensure it gives as good as it gets.

While reliable performance both on and off the road is a given, our development team has also worked hard to create an extensive range of Hilux Genuine Accessories.

The expanded Toyota Genuine range also includes redesigned regulars for leisure and work-related activities, including a towbar purpose-designed to support the maximum towing capacity for the Hilux of 3500kg. The range also includes familiar items such as bonnet and headlamp protectors, rear park assist sensors, side steps and roof racks.

Because every Hilux is expected to perform a specific task, over 200 individual accessory options are available to help tailor your vehicle to your needs. Front, back, interior and exterior; the Hilux is covered.

Fitting Genuine Toyota Accessories also ensures the integrity of your vehicle, with components tested to exacting standards for New Zealand conditions and backed by a 3 year or 100,000 kilometres* warranty.

* Whichever comes first. Warranty valid from when accessory fitted, at time of new vehicle purchase at your Toyota Store.

Accessory concept trucks feature custom built items, bespoke vinyl wrap and modified accessories that may not be readily available for sale. Warranty provisions above do not apply.

Hilux 4WD Double Cab SR in Silver Sky shown with;

- 1 Low profile soft Tonneau Cover. This black vinyl tonneau cover does not require external bungees and installs into the inside of the well-side. Traditional bungee type soft vinyl tonneau covers are available as well.
- 2 Rear Corner Protectors in matt black. These tubular corner protectors provide additional protection to the rear corners of your Hilux. Towbar required for fitment.
- 3 Towing package with towbar, trailer wiring harness, accessory fuse box and towball. Fixed or removable tongue towbars are available. Tow rating will depend on model.
- 4 18" Alloy wheels in matt black. Recommended tyre size is 265/60R18.
- 5 Door handle Scuff Plates are designed to protect the door handle area from scratches and paint damage. Chrome finish to match the vehicle door handles.
- 6 Slim-line Weathershield set provides fresh air into the cabin while keeping the weather out. Supplied in black finish and available for both double and extra cabs. Clear front weathershield options are also available.
- 7 Over fender Wheel Arch garnish. This black textured garnish accentuates the muscular haunches of the wide body fenders.
- 8 Bonnet Protector-dark tint. This acrylic bonnet protector will provide additional protection to the leading edge of the bonnet from road debris. Clear acrylic and clear vinyl film bonnet protectors available too.
- 9 Front Bumper garnish. This metallic grey and silver painted garnish fits around the lower grille opening to provide a distinctive premium style to your Hilux. Not compatible with the Nudge Bar.

Hilux 4WD Extra Cab SR concept vehicle in Graphite shown with;

- 1 Steel 'Premium' Bullbar with steel rope winch package. ANCAP 5 star rated. Bullbar features driving light mounts, dual aerial mounts, improved approach angles and LED indicators.
- 2 Over Fender wheel arch garnish with textured black plastic finish.
- 3 Alloy Load Lid with 'Destroyer' Sportsbar in oasis black finish. Checkerplate alloy lid rated to 200 kg, lockable with with gas struts. Custom side plates, detailing and lighting also shown with this concept vehicle. ABS plastic and fibreglass Hard Lids are also available.
- 4 Fuel Beast 20" x 9" Alloy Wheels with tyres supplied by DTM, available via your local Toyota Store.
- 5 Towing package with removable tongue towbar with trailer wiring harness, towball and accessories.
- 6 Custom built slide out BBQ for the ultimate entertainers truck featuring 6 burner grill with custom hood, dual gas bottles, twin chilly bins, slide out cutting board and BBQ tools supplied by Utemaster.
