Toyota owners value reliability and peace of mind motoring, which is why they choose Toyota Insurance to protect their pride and joy.

Toyota Insurance has been trusted by thousands of New Zealanders for its unique benefits.

Why do I need Toyota Vehicle Insurance?

If you intend to buy a new, used or Signature Class Toyota then you want an insurance package designed for your car.

Our unique benefits

3 Years replacement on new Toyota vehicles.

If your new Toyota* is stolen or cannot be repaired to our standards, we'll replace the vehicle with a brand new vehicle of the same or similar specification, provided it is within 3 years of the date of purchase and it has travelled less than 100,000km during that time.

*Includes demonstrators that have travelled less than 5,000km when purchased.

2 Years replacement on Signature Class vehicles.

If your Signature Class vehicle is stolen or cannot be repaired to our standards, we'll replace your vehicle with another Signature Class vehicle of the same or similar specification, provided it is within 2 years of the date of purchase and it has travelled less than 100,000km during that time.

We'll pay the purchase price on used vehicles.

If your used vehicle is stolen or damaged within the first 12 months of purchase from a Toyota Store and cannot be repaired to our standards, we will pay you the purchase price.

We'll fill the gap.

If your vehicle is a total loss and the amount you owe Toyota Financial Services is more than you receive from us to settle your vehicle claim, we will pay the difference to a maximum of 20% of the vehicle's market value.

Toyota genuine parts and repair guarantee.

We use Toyota genuine parts* to repair your vehicle. Provided you use a Toyota Insurance nominated repairer, we will guarantee the quality of the workmanship on the repairs for as long as you own the vehicle.

*The Toyota genuine parts benefit does not apply to windscreens and window glass.

Round the clock accident assistance.

We'll provide you with round the clock accident assistance.

We'll get you home.

If your vehicle cannot be safely driven after being stolen and/or damaged in an accident more than 100 kilometres from home, we will pay up to \$1,000 towards the cost of getting you, your vehicle and passengers home or to suitable alternative accommodation.

We'll keep you moving.

If your vehicle is damaged or stolen, we'll provide either a repairer's courtesy vehicle or a rental vehicle for up to 21 days.

Excess free glass cover.

We will replace your vehicle window glass if it is accidentally damaged with compatible after-market glass that meets all New Zealand safety standards. Your first claim is excess free and doesn't affect your no claims bonus. All windscreen chip repairs are excess free.
