## Have You Considered Toyota's Other Products?

### Toyota Care Used Vehicle Warranty

A Toyota Care Used Vehicle Warranty can be purchased at the end of your Platinum Warranty for continued protection against sudden mechanical and electrical failure.

### Toyota Care Service Plan

Toyota vehicles have a great reputation for being reliable. However, all vehicles need to be serviced regularly to keep them running well.

Toyota Care Service Plans allow you to purchase servicing in advance, locking in your servicing costs and protecting you from inflation.

All Toyota products are fully backed by Toyota New Zealand and supported by our Authorised Toyota Network and Service Agents throughout New Zealand.

## New Vehicle Extended Warranty

PNVEWB3 - August 2018 - 5,000 - MOQ 20

## Extend Your New Vehicle Warranty

The Platinum New Vehicle Extended Warranty increases your 100,000km or 3yr\* warranty on your new Toyota out to 150,000km or 5yrs\* from date of first registration. It provides coverage for any parts of your vehicle which may become defective due to faulty materials or workmanship in manufacture or assembly.

\*Whichever occurs first under normal operating conditions.

## Vehicle Eligibility

All new Toyota vehicles sold via the Authorised Toyota Network includes the Platinum Warranty as part of the Toyota Care Service Advantage package. Terms and conditions apply.

The Platinum Warranty is only available to be purchased by Toyota vehicles when sold to, or sold as part of Toyota New Zealand's nationally negotiated government or rental sales at time of the new vehicle sale or provided:

- the vehicle is less than three years of age (from date of first registration),
- has travelled less than 100,000km,
- has a full service history with Toyota's scheduled servicing manufacturing recommendations.

We also offer a range of Toyota Care Warranty products for other vehicles. Please ask your local Toyota store for more information.

## Toyota Care Roadside Assistance

AA Motoring

Roadservice

For added peace of mind, your Platinum New Vehicle Extended Warranty comes with breakdown benefits including additional reimbursement costs for a rental vehicle and/or accommodation.

### Toyota Care Roadside Assistance includes:

- ✓ Roadside Breakdowns
- ✓ Flat Battery (restart due to flat battery only)
- ✓ Flat Tyre (inflation of flat tyre or fitting of spare tyre only)
- ✓ Key Lockouts/Lost Key Assistance
- ✓ Out of Fuel Delivery
- ✓ Towing (as required) to the nearest Toyota store or Service Agent

## No Excess and No Claim Maximum

As the Platinum New Vehicle Extended Warranty gives you a seamless extension to the standard New Vehicle Warranty, there is no excess and no maximum claim value on any claims for the duration of your warranty. The Platinum New Vehicle Extended Warranty provides comprehensive coverage at a cost effective price.

## Security Backed by Toyota

The Platinum New Vehicle Extended Warranty is fully backed by Toyota New Zealand, and our Authorised Toyota Network and Service Agents nationwide.

A Platinum New Vehicle Extended Warranty also guarantees access to Toyota Genuine Parts, ensuring any replacement part is manufactured with the same precision and quality as the original.

## Increasing Your Vehicle's Value

Fully transferable to the next owner, a Platinum New Vehicle Extended Warranty is a valuable investment, adding potential resale value to your vehicle.

Your Platinum New Vehicle Extended Warranty Contract can also be cancelled at any time. If you still own the vehicle, have purchased the warranty and have not made any claims against it, you will receive a time-based pro rata refund, less administration costs.

Full details of the Platinum New Vehicle Extended Warranty are available through your local Toyota store, or you can call us on 0800 TOYOTA (0800 869 682) or visit [toyota.co.nz/warranty](http://toyota.co.nz/warranty).
