What your policy covers

Your policy is what is known as a comprehensive motor vehicle insurance policy. It provides cover for accidental loss or damage to your vehicle, and also cover for accidental loss or damage to other people's property for which you are liable.

The following section discusses these covers.

Cover for accidental loss or damage to your vehicle

We will cover you for accidental loss or damage (including fire and theft) to your vehicle.

At our choice, we will:

- a. arrange for the repair of your vehicle;
- b. pay you the fair and reasonable cost of repairing your vehicle;
- c. declare it a total loss, and either replace your vehicle or pay you either the purchase price, agreed value or market value depending upon which option is shown on your policy schedule.

Who can drive your vehicle

Your vehicle is insured whilst being driven by non regular drivers of any age, and any regular driver over the youngest regular driver age, provided that inexperienced driver cover is in place if applicable (see below).

Main driver

The age of the main driver and their license type is noted on your policy schedule. The main driver is the person who drives the vehicle most often.

Youngest regular driver

The age of the youngest regular driver is noted on your policy schedule. A regular driver is anyone that will drive it more than 12 times a year.

Inexperienced Drivers

Your vehicle can be driven by a driver who does not hold a NZ full license, or has held a NZ Full license for less than two years, provided that you have inexperienced driver cover included on your policy. This is noted on your policy schedule.

What your vehicle can be used for

Private use

If the policy schedule shows private use then your vehicle is covered for domestic, social, recreational or farming purposes, including driving to and from your regular place of work.

Business use

If the policy schedule shows business use then your vehicle is covered when used for Private Use and your business, profession, occupation or income earning purposes provided that is not otherwise excluded by this policy.

There is no cover while your vehicle is being used for any of the following;

- Hire, reward, or to carry fare paying passengers (except a private pooling arrangement); or
- rental, security patrol, fast food delivery, courier; or
- being used for any form of motor sport or contest, experiment, test, trial or demonstration; or
- being used in connection with emergency or law enforcement services.

Cover for accidental damage to other people's property (legal liability) and reparation

We will cover your legal liability for loss or damage to someone else's property caused by an accident involving:

- your vehicle; and
- a boat, caravan or trailer whilst attached to or accidentally detached from your vehicle.

We will also cover the legal liability of:

- any driver, provided that person was not covered by another insurance contract at the time of the accident;
- passengers who are in, or getting into or out of your vehicle, with your permission; and
- your employer, principal or partner arising out of your use of the vehicle.

The maximum amount we will pay for legal liability arising out of any one motor vehicle accident is \$20,000,000 (twenty million dollars).

Reparation

We will cover the reparation you are required to pay to a victim who has suffered bodily injury, or death as a result of you committing an offence in connection with the use of your car.

We will not cover any amounts that are covered under the Accident Compensation Act 2001 (Act), or would be covered but for:

- a failure by the victim to correctly notify a claim to the Accident Compensation Corporation within the time required under the Act,
- the victim's decision, for whatever reason, not to claim any amount he or she would be entitled to claim under the Act,
- a decision by the Accident Compensation Corporation to decline a claim or limit its liability in whole or in part and for any reason whatsoever.

The maximum amount we will pay for reparation arising out of any one motor vehicle accident is \$1,000,000 (one million dollars).

We will not cover legal liability or reparation:

- when the loss or damage occurs to your own property or to property which is in your possession, custody

or control, or is owned by the person driving or in custody of your vehicle;

- if your vehicle was being used without your permission at the time of the accident;
- which is insurable under a statutory or compulsory insurance or compensation scheme or another policy covering such liability; or
- for any liability you agree to accept without our express written consent, and where such liability would not have existed without your agreement.

Additional benefits

Accessories

If we agree to cover your accessories, these will be described on your policy schedule. The most we will pay to repair or replace your listed accessories is the specified value noted on your policy schedule.

Key and lock

If the keys giving access to your vehicle are all lost or stolen or you believe on reasonable grounds they have been illegally copied, we will pay up to \$1,000 less your basic excess per claim for the replacement of your vehicle's keys or devices and/or recoding of your vehicle's locks and barrels.

In addition, if during the period that your vehicle is under warranty with Toyota, the loss of your keys necessitates the replacement of your vehicle security system, we will pay up to a further \$2,000 less your basic excess toward the cost of replacing your security system.

Windscreen/window glass cover

Where your windscreen or vehicle window glass is accidentally damaged, we will repair or replace the windscreen or window glass.

In addition, you will not be required to pay any excess nor will your entitlement to a no claims bonus be reduced for the first claim for windscreen or vehicle window glass replacement occurring in any 12 month period. The basic excess and no claims bonus provisions shall apply where you are claiming on a second or subsequent occasion for windscreen or vehicle window glass replacement occurring in any 12 month period.

You will not pay any excess for windscreen chip repairs.

Personal injury cover

If you, your spouse or immediate family suffer bodily injury by violent, accidental, external and visible means

in direct connection with an accident for which we have accepted a claim under this policy we will pay the amounts stated below, provided that such injury occurs within 3 months from the date of loss of the claim under this policy.

The most we will pay under this benefit is \$5,000 in any one period of insurance. If more than one person is entitled to payment, we will pay proportionately to the number of eligible persons.

event	amount
Death	\$5,000
Total and irrecoverable loss of the sight of one eye	\$2,500
Total and irrecoverable loss of the sight of both eyes	\$5,000
Total and permanent loss of the use of one hand or one foot	\$2,500
Total and permanent loss of the use of both hands or both feet or of one hand together with one foot	\$5,000

We will pay medical expenses incurred in connection with such injury up to the sum of \$500 per person during any one period of cover in excess of any accident compensation or private insurance payment.

We will not pay this benefit:

- where death or bodily injury was caused by suicide or attempted suicide;
- if the insured named in the policy schedule is not an individual;
- in respect of persons younger than 15 or older than 89 years; or
- where this benefit has already been paid under another insurance policy by us in connection with the same loss.

Legal costs

We will pay for all legal costs and expenses which may be reasonably incurred for any claim or action we have defended in your name in relation to this policy, provided we have given our prior approval for these costs.

Manslaughter defence

We will pay up to \$2,000 for the cost of professional legal advice or representation if you or any driver is charged with manslaughter or dangerous driving causing death, arising out of an accident involving your vehicle for which a claim is accepted under this policy, provided we have given our prior approval for these costs.

Courtesy vehicle after accident/theft

If your vehicle is stolen, or we treat your vehicle as a total loss, or your vehicle is being repaired by a Toyota Insurance Nominated Repairer, we will arrange and pay for a temporary vehicle on the following terms.

The temporary vehicle will, at our option, be:

- a vehicle we agree that the Toyota Nominated Repairer can provide; or
- a Toyota Corolla or equivalent vehicle provided by a rental car company of our choice.

If no such vehicles are available in a location suitable to you, we will do our best to arrange a satisfactory alternative vehicle. Depending upon the circumstances, we may ask you to make a contribution to the cost.

The temporary vehicle will be less than 5 years old, or no older than your vehicle if your vehicle is more than 5 years old. If your temporary vehicle is not of an acceptable standard please contact us and we will try to make alternative arrangements for you.

If we provide a rental vehicle you can choose a different vehicle provided you agree to pay any additional costs the rental car company may charge. Alternatively, with our prior approval, you may arrange and pay for a rental vehicle of your choice and we will reimburse you up to \$33 per day up to a maximum of \$700. To claim this reimbursement you will need to provide a copy of the GST invoice and proof that you have paid it.

Before a temporary vehicle can be provided you must meet any eligibility guidelines of the Toyota Insurance Nominated Repairer or the rental car company we choose to use, whichever applies. If you do not meet these guidelines we will not provide this benefit.

This temporary benefit will be provided from the date you report your claim to us and will cease the earlier of:

- the date that repairs on your vehicle are completed;
- the date your vehicle is found following theft;
- the date we settle your total loss; or
- 21 days from the date you received the temporary vehicle unless we agree to extend beyond that date.

Excess payable for claims for damage to the temporary vehicle

Should you need to make a claim for loss or damage to a vehicle provided by a Toyota Nominated Repairer

this policy will pay the difference between the excess charged by the insurer of the temporary vehicle and your excess under this policy, subject to the policy terms and conditions.

Rental vehicles that we have arranged for you are automatically covered under your insurance policy and should you need to make a claim for loss or damage, your normal excess will apply.

Trailers, boats, caravans, ski pods and roof rack attachments

We will pay up to \$1,000 for accidental loss or damage to any trailer, boat, caravan, ski pod or other roof rack attachment which at the time of the accident or theft was attached to your vehicle and became damaged as result of the accident.

We will pay the lesser of the cost to repair these items or the combined market value of these items up to \$1,000.

We will not pay for any property being carried in or on the trailer, boat, caravan, ski pod or roof rack attachment, or for any item that is already insured against loss or damage.

Baby capsules and child seats

We will pay up to \$500 each for accidental loss or damage to baby capsules or child seats fitted to your vehicle which are stolen from inside your locked vehicle, or stolen with your vehicle, or damaged as a result of an accident involving your vehicle, subject to a claim being accepted on the policy for loss or damage to the insured vehicle up to a maximum of \$1000.

We may choose to pay the market value of the loss or damage directly to you, or repair, or replace the items.

We will not pay for items recovered in the condition they were in at the time of being stolen.

We may require a police report and/ or proof of ownership. You must not dispose of or abandon any property for which you intend to make a claim.

Personal items

We will pay up to \$1,000 if personal property belonging to you, your spouse or dependent children, is stolen from inside your locked vehicle, or stolen with your vehicle, or damaged as a result of an accident involving your vehicle, subject to a claim being accepted on the policy for loss of or damage to the insured vehicle.

We may choose to pay the market value of the loss or damage directly to you, or repair, or replace the items.

We will not pay for items recovered in the condition they were in at the time of being stolen.

No cover is provided for cheques, negotiable items, credit cards, jewellery, mobile phones, global positioning systems (GPS), dashboard cameras, radar detectors or items used for earning income.

We may require a police report and/or proof of ownership. You must not dispose of or abandon any property for which you intend to make a claim.

Towing and storage

If your vehicle cannot be driven safely following an accident we will pay what we consider to be the reasonable cost for the protection, removal and towing of your vehicle to the nearest repairer authorised by us.

Emergency trip continuation

If your vehicle cannot be safely driven after being stolen and/or damaged in an accident more than 100 kilometres from home we will reimburse the cost of essential:

- transportation for you and your passengers to your home or destination; and
- transportation to collect your vehicle when it has been repaired; or
- temporary accommodation (room rental only) for you and your passengers, up to \$200 per day in total (to a maximum of \$1000 per claim).

This benefit is only payable if we accept a claim under the policy.

Emergency trip continuation costs can be incurred without our prior approval, but we will need you to provide us with receipts and/or invoices relating to these costs.

Re-delivery costs

If the accident occurs more than 100 kilometres from your home we will cover what we consider to be the reasonable cost of transporting your vehicle to your home once it has been repaired, or transporting your vehicle to a repairer of our choosing in your local area prior to its repair.

Taxi fares

Where your vehicle cannot be safely driven following accidental damage or theft less than 100 kilometres from home and you need to arrange a taxi from the scene of an accident, we will reimburse up to \$100 in total for the cost of a taxi fare to your chosen location.

This benefit is only payable if we accept a claim under the policy and have authorised your vehicle repairs. Receipts for payment of the taxi fares must be produced in support of any claim.

Vehicle being transported by a marine vessel

If your vehicle is being transported by a marine vessel within New Zealand waters, we will pay your contribution for any general average and salvage charges if such maritime conditions apply.

Finance gap

If your vehicle is declared a total loss and the amount owing on your finance contract with Toyota Financial Services is more than the amount we agree to pay to settle your claim, we will pay any outstanding loan balance as at the date of the event that caused the total loss of your vehicle.

We will not pay for any payment of arrears or penalty interest due prior to the accident or theft.

The most we will pay under this benefit will be 20% of the market value of your vehicle.

Automatic replacement vehicle cover for 14 days

If you purchase a replacement vehicle valued at \$100,000 or less, we will provide temporary cover for the replacement vehicle from the date of purchase for a maximum of 14 days.

Within that time you must:

- give us full details of the replacement vehicle;
- obtain our agreement to cover your replacement vehicle; and
- pay any extra premium we require.

If you do not dispose of the vehicle described on the policy schedule when you purchase a replacement vehicle, we will provide cover for both the vehicle described on the policy schedule and the replacement vehicle until the earliest of your disposal of either vehicle or 14 days.

If you intend to retain both vehicles beyond 14 days you will need to purchase another policy.

If you purchase a replacement vehicle valued at more than \$100,000, no temporary cover will be provided for the replacement vehicle, unless you notify us of the details and we agree to provide cover.

Contact the police

You must immediately report all accidents to the police and complete a police report where people are injured in an accident or if your vehicle is stolen, broken in to or maliciously damaged.

We will need a copy of this report to process your claim.

What you must not do

- Do not admit liability or guilt or make a promise or offer to settle or partly settle the matter or defend the matter.
- Do not have your vehicle repaired, or authorise repairs, unless we have given our express written consent.

What you must pay in the event of a claim: Excess

An excess is an amount you may have to pay toward the cost of a claim on this policy even if you are not responsible for the loss or damage. The amount and

types of excesses applicable to your policy are shown on your policy schedule.

There are four types of excess, Basic Excess, Age Excess, Licence Excess and Special Excess. The excess payable for any claim will be the total of all excesses applicable depending on the circumstances of the claim. You may have to pay the excess before we agree to provide any benefits under the policy.

Basic excess

The basic excess is shown on your policy schedule and consists of a set standard amount, plus any additional amount you selected in return for a reduction in premium, plus any amount we may impose. The basic excess is the first amount you may have to pay on each claim.

Age excess

The age excess applies if the driver is under 25 years old at the time of an accident. You do not have to pay an age excess if claiming for loss or damage caused by theft, or attempted theft, fire, flood, hail, storm or malicious damage.

Licence excess

The licence excess applies for claims made where at the time of an accident the driver does not hold a full New Zealand drivers licence or has held a full New Zealand driver's license for less than two years. You do not have to pay a licence excess if claiming for loss or damage caused by theft, or attempted theft, fire, flood, hail, storm or malicious damage.

Special excess

The special excess applies where your particular circumstances impact the risk covered by your policy and may be imposed, for example:

- where you have modified your vehicle, or added non-standard accessories to your vehicle which may increase the costs of repairs following a claim; or
- because of the driving, criminal or insurance history of you or any main/regular driver listed on your policy schedule.

Windscreen cover claims

Please refer to the Windscreen cover section of this policy for an explanation of when an excess is payable for windscreen claims.

Reimbursing your excess

We will reimburse your excess if we decide that you, or a driver of your vehicle, are not responsible for the accidental damage to your vehicle.

We will do this if:

- you provide the correct registration number of the vehicle that caused the accidental damage, and
- you provide the correct name and contact number or address details of the person who is responsible for the accidental damage, and
- the person responsible confirms his or her involvement in the event.

Deciding who is at fault

We will be solely responsible for deciding whether you or your driver contributed to the cause of an accident.

Our rights of recovery

We may have the right to recover any amount from other persons. We will have full control in the conduct, defence or settlement of any claim, and to take any action in your name. You and any other person entitled to cover under your policy must give us all necessary information and co-operation we may reasonably require including attending a Disputes Tribunal hearing.

No claim bonus protection

For each claim-free period of insurance you will accumulate a discount off your motor vehicle insurance premium up to a maximum amount.

If you have had no claims with your previous insurer in the last 2 years or if you are insured with us for one year without making a 'no recovery' claim, we will protect your no claims bonus. Once your no claims bonus is protected you can make one 'no recovery' claim per period of insurance and you will not lose your no claims bonus.

A 'no recovery' claim is a claim where either:

- the driver of the insured vehicle contributed to the cause of the accident;
- the person that caused the accident or loss is unable to be identified;
- the accident or loss was not caused by a person;
- we cannot obtain an admission of liability from the person that caused the accident or loss.

If you have more than one 'no recovery' claim in a policy period, your no claims bonus will be reduced. If your no claims bonus is not protected, your no claims bonus will be reduced each time you make a 'no recovery' claim.

Repairing your vehicle

Please take particular notice of the following repair guarantees applying to repairs authorised by us and performed by our nominated repairers when deciding whether to use our nominated repairers or your preferred repairer.

Toyota quality repair guarantee

Where you choose to use a Toyota Insurance Nominated Repairer we will guarantee the quality of workmanship on the repairs for as long as the vehicle is owned by you.

This guarantee covers:

- the effectiveness of all repairs to restore the vehicle as near as possible to its pre-accident condition;
- the cost of rectifying any defect in parts or materials supplied; and
- the cost of rectifying any faulty workmanship.

It does not cover:

- defects caused by natural wear and tear of repaired surfaces;
- rust or corrosion or normal deterioration including paintwork, unless directly attributable to the repair; or
- rectification work not authorised by us.

Toyota genuine parts replacement

Toyota vehicles

If your Toyota is less than 5 years old from the date of first registration at the time of the accident or loss covered by this policy, we will use new Toyota genuine parts sourced through the manufacturer's New Zealand distribution channel when replacement parts are required to repair your vehicle, except for windscreens and window glass which may be from alternative sources.

For all other Toyota vehicles we will use Toyota genuine parts that are compatible with the age and condition of the vehicle at the time of loss, except for windscreens and window glass which may be from alternative sources.

Other vehicles

Vehicles not manufactured or imported by Toyota may be repaired using parts not made by the manufacturer but they will be compatible with the age and condition of the vehicle at the time of the loss.

Contribution to repairs

Should the repairs being performed leave your vehicle in a better condition than it was prior to the incident resulting in a claim, we may ask you to contribute to the repair costs.

Choice of repairer

We understand that on some occasions you may wish to have your vehicle repaired by a repairer of your choice.

If we accept your claim and your vehicle is repairable, we will suggest one of our Toyota Insurance Nominated Repairers. You may still use your preferred repairer provided:

- they have all the necessary licences and authorisations required by law;
- we believe they are capable of carrying out the repair to a reasonable standard;
- that we are satisfied they act in accordance with the requirements of the Health and Safety at Work Act 2015;
- the vehicle is made available for inspection when required by us;
- repairs are not commenced prior to authorisation by us; and
- they will cooperate fully with our appointed assessor.

If your vehicle is a total loss

If we decide that the damage to your vehicle is so extensive that it would not be safe or economical to repair, or it has been stolen and not found, we will declare your vehicle a total loss.

Once we accept your claim and decide your vehicle is a total loss, we will settle your claim as follows:

Your vehicle	If your vehicle becomes a total loss;	
<p>New Toyota Your Toyota is less than 3 years since first registration as a new vehicle in NZ, is still covered by the new vehicle warranty, has travelled less than 100,000 kms and was purchased by you from a Toyota Dealer with an ODO reading of less than 5,000 kms.</p>	<p>We will replace your vehicle with a new vehicle of a similar make, model and specification.</p>	<p>Providing the vehicle has been continuously insured by you with Toyota Insurance since it was purchased.</p>
<p>Signature Class or SBT Your Toyota is still covered by a Signature Class or SBT vehicle warranty, was purchased by you from a Toyota Dealer less than 2 years ago and has travelled less than 100,000 since purchased.</p>	<p>We will replace your vehicle with another vehicle of a similar year, make, model and specification.</p>	
<p>Used vehicle purchased from a Toyota Dealer Your vehicle was purchased by you from a Toyota Dealer less than 1 year ago.</p>	<p>We will pay you the amount that you paid to purchase the vehicle as stated on your Vehicle Offer and Sale Agreement.</p>	
<p>All other vehicles</p>	<p>We will pay you either the Agreed or Market value as stated on your policy schedule.</p>	

Replacing your vehicle – additional information

If we do replace your vehicle we will also pay for the on-road costs of the vehicle except the costs of road user charges, petrol and any insurance.

If the vehicle is subject to a finance agreement we will also require the financier's written consent before replacing the vehicle.

If your Toyota vehicle has been superseded with a new model, is discontinued or is not available in New Zealand, we will replace your vehicle with another Toyota model. In these circumstances we may ask that you contribute the difference between the manufacturer's last listed recommended retail price for your vehicle and the recommended retail price of the replacement vehicle.

Total loss claims – additional information

In the event of a total loss, your vehicle wreckage, including any options, accessories and unexpired registration, will become our property and we will retain the proceeds of any sale. Furthermore the cover provided under this policy ceases with no refund of premium. If your vehicle is determined by us to be a total loss following a claim and your premium is paid by instalments and/or has not been paid in full for the period of cover in which the claim occurred, you will be required to pay the balance of any remaining premium owing for that period of cover.

Determining the market value

If applicable, the market value will be determined by obtaining two valuations from professional valuers. These will normally be averaged. You may also obtain a valuation from a professional valuer and submit it to us for consideration.

Credit providers' rights

Where a credit provider has a financial interest by way of security or ownership over your vehicle in respect of your finance contract, we will settle any amount which remains payable under your claim directly to them. We will then pay you the balance of the claim. The total of all payments is limited by the amount you are entitled to under the claim.
