

RAV4

RAV4

RAV4 is at the heart of our family

Toyota's RAV4 has come to define everything that is great about a versatile mid-size SUV.

With four generations of RAV4 having sold over six million units worldwide, it's plain to see the practical and stylish RAV4 remains a firm favourite both here in New Zealand and overseas.

Our extensive RAV4 line-up features plenty of space for the family and everything they bring with them, along with a choice of efficient and powerful petrol and diesel engines, front-wheel drive or all-wheel drive, fantastic modern interiors with all the comfort and convenience items you'd expect, as well as integrated active safety and driver assistance technologies.

If it's an active life you lead, the reliable, efficient and spacious RAV4 range is perfectly tailored to suit. With a total of nine variants, three grade and powertrain options to choose from, there is a RAV4 for every driver. And you can even bring the family along for the ride.

RAV4 GX IN GLACIER WHITE

RAV4 LIMITED IN CRYSTAL PEARL

RAV4 GXL IN BLUE GEM

RAV4 2WD 2.0L Petrol

Offering economy and reliability from its 2.0-litre four-cylinder petrol engine, the RAV4 2WD still packs plenty of punch, with maximum power of 107kW and maximum torque of 187Nm. Thanks to its clever Dual Variable Valve Timing-intelligent (VVT-i) and Electronic Fuel Injection (EFI), it remains fantastically frugal to run as well, with combined fuel consumption of just 7.0-litres/100km.

Outside the RAV4 2WD sports modern looks, while inside it rewards with an impressive level of specification across three distinct grades; GX, GXL and Limited.

Something every RAV4 2WD has in common though is style and comfort. Matte black trim with contrasting silver detailing in all models gives the cabin a premium feel while in GXL and Limited the interior trim has soft touch faux leather accents. There are storage solutions everywhere and the centre console has received a thorough update.

Information, entertainment and safety go hand-in-hand with a large 6.1" touchscreen display featured in every RAV4. This system allows the driver and front seat passenger to access audio functions, Bluetooth-paired phone book details and other vehicle data. It also acts as the high quality monitor for the standard reversing camera.

RAV4 GX IN GLACIER WHITE

- 1
- RAV4 2WD GX has LED headlights with LED daytime running lights. GXL and Limited grades feature an Active High Beam system, which detects the headlights of oncoming vehicles and tail lights of vehicles ahead, switching between high and low beam automatically in order to avoid dazzling other drivers
- 2
- Who knew a wing mirror could be so clever? All RAV4 2WD's have power adjustable, heated exterior mirrors with integrated side indicator lights, while GXL and Limited grades feature Blind Spot Monitor warning indicator and an electric retract function
- 3
- The RAV4's updated rigid body shell contributes to greater driving stability and improved agility
- 4
- Every RAV4 features silver roof rails as standard, giving you the ability to add to the practicality of the RAV4 to suit your lifestyle
- 5
- Each RAV4 grade has unique wheels. The GX features a five spoke 17" steel wheel with a full sized wheel cap. RAV4 GXL features a 17" machined alloy wheel, while RAV4 Limited arrives with stylish 18" machined alloy wheels
- 6
- We've ensured the RAV4 exterior colour palette offers a variety of bold options including Carmine, Blue Gem and recent additions Silver Sky and Peacock Black

- 1
- Every RAV4 features a practical, comfortable and stylish interior, with premium details like grade-specific high quality fabric or leather accented seat material, as well as a soft-touch instrument panel trim in GXL and Limited grades
- 2
- RAV4 2WD GXL and Limited grades feature Dynamic Radar Cruise Control (DRCC) which uses radar technology to maintain an adjustable distance from the vehicle in front (works at speeds above 40km/h)
- 3
- The rear seats feature recline adjustment and individual headrests. The rear seats splits 60:40 and folds flat to create extra boot space when needed
- 4
- Every RAV4 is equipped to take all the items you need every day. A large capacity centre console storage box, front storage tray, glove box and storage shelf in the upper instrument panel are complimented by cup holders, seat-back pockets and door pockets with bottle holders. The cargo area features a removable tonneau cover and cargo net
- 5
- The RAV4 2WD features a comprehensive airbag system including driver and front passenger front, front side, front and rear curtain shield and driver's knee airbags

RAV4 AWD 2.5L Petrol

RAV4 GXL IN BLUE GEM

RAV4 GX 2.5L PETROL 6-SPEED AUTO

RAV4 GXL 2.5L PETROL 6-SPEED AUTO

RAV4 LIMITED 2.5L PETROL 6-SPEED AUTO

The practicality and power of Toyota’s reliable petrol engine technology comes into its own when paired with the spacious, fantastically appointed RAV4 AWD Petrol. Powered by a 2.5-litre four-cylinder petrol engine capable of maximum power of 132kW and maximum torque of 233Nm, the RAV4 AWD Petrol records combined fuel consumption of 8.5-litres/100km, meaning you can go further in your working week.

Having long been world leaders in 4WD and AWD technology, it’s no surprise that Toyota’s RAV4 AWD Petrol has a long history of exemplifying sure-footed performance in the mid-size SUV segment. If you need to get there in your RAV4 - and even if ‘there’ is beyond where the sealed road ends - this capable and reliable SUV will deliver.

Both the RAV4 AWD Petrol and Diesel feature Toyota’s advanced Dynamic Torque Control all-wheel drive technology. This system uses information from the rate of acceleration, steering angle and yaw-rate sensors to control torque transfer intelligently between the front and rear wheels, maximising traction and minimising slip.

The RAV4 AWD Petrol GX and GXL can be optioned with a full-size spare wheel.

- 1 Although only 4605mm in length, the RAV4 packs a lot into its mid-size footprint, with plenty of room for five occupants onboard, as well as a boot-load of gear
- 2 Each RAV4 grade has unique wheels. The GX features a five spoke 17” steel wheel with a full sized wheel cap. RAV4 GXL features a 17” machined alloy wheel, while RAV4 Limited arrives with stylish 18” machined alloy wheels
- 3 The RAV4 features a low-profile ‘shark fin’ antenna, which helps improve the SUV’s aerodynamic performance
- 4 A stylish new blended resin and body-coloured rear bumper design helps the RAV4 AWD Petrol stand out from every angle. LED tail lamps add to the modern look
- 5 With a maximum braked tow rating of 1500kg, the RAV4 AWD Petrol complements all manner of recreational pursuits, be it boating, camping, motocross, gardening and more
- 6 GXL and Limited grade RAV4 AWD Petrol models feature tinted privacy glass in the rear side windows and back door for extra security and protection from the sun
- 7 The RAV4 Limited lets the sun shine in with a sunroof featuring tilt and slide functionality

RAV4 shown with Towbar Genuine Accessory fitted

- 1 Every RAV4 incorporates a multi-function steering wheel giving the driver safer access to key features. These include controls for audio and Bluetooth-paired phone functionality, meter display buttons for the Multi-Information Display in the instrument panel and the ability to control the Dynamic Radar Cruise Control (DRCC) system (DRCC not available in GX)
- 2 The RAV4 AWD Petrol GX features a handy reversing camera with static guidelines, while GXL and Limited grades boast a reversing camera with active guidelines, helping ensure your approach is from the best possible angle
- 3 As safe as it is spacious, every RAV4 features two ISOFIX points for tethering child seats within the rear seat. There’s even an extra 12V socket for devices specifically for back-seat passengers
- 4 Integrated Satellite Navigation with SUNA Traffic real-time travel information featured in RAV4 GXL and Limited models (traffic information available only in some regions)
- 5 As you’d expect from a family friendly SUV like the RAV4, luggage capacity with the second row seat up is excellent - 577 litres for models with space saver spare wheel or 506 litres with the full size spare wheel

RAV4 AWD 2.2L Diesel

Featuring an efficient 2.2-litre four-cylinder turbo diesel engine, the RAV4 AWD Diesel is economical regardless of where your working week or long weekend takes you.

This powerful turbo diesel produces 110kW peak power and a hefty 340Nm of torque, meaning you’ve got the grunt to get on with your day. But while the RAV4 AWD Diesel offers plenty of power, it’s also easy on your wallet; combined fuel economy is just 6.6L/100km - GX & GXL, or 6.7L for the Limited. The clean running EURO 5 compliant engine emits 176g/km of CO₂.

Available in GX, GXL and Limited grades, the RAV4 AWD Diesel features the ultimate in capability, matched with an exceptional level of specification.

Convenience functionality such as Bluetooth hands-free phone and audio streaming, a multi-function steering wheel, 6.1” touchscreen display and reversing camera are all standard. The RAV4 AWD Diesel GXL and Limited models feature integrated Satellite Navigation, with SUNA Traffic which gives you real-time updates on potential delays along your chosen route (traffic info only available in some regions). Limited models treat occupants to leather accented seats and a sunroof.

Thanks to expanded insulation coverage in order to reduce road, tyre and exhaust noise, the RAV4’s cabin is now quieter than ever for greater occupant comfort and ease of conversation.

RAV4 LIMITED IN CRYSTAL PEARL

- 1 The RAV4 AWD Diesel GXL and Limited grades feature rain-sensing windscreen wipers for added convenience when the conditions deteriorate
- 2 LED projector headlights are a feature of every RAV4. The RAV4 AWD Diesel GXL and Limited grades are further enhanced with an Active High Beam system and halogen fog lights
- 3 Each RAV4 grade has unique wheels. The GX features a five spoke 17” steel wheel with a full sized wheel cap. RAV4 GXL features a 17” machined alloy wheel, while RAV4 AWD Diesel Limited arrives with stylish 18” machined alloy wheels
- 4 Rugged-looking mouldings in the RAV4 AWD Diesel wheel arches add to the practical go-anywhere character of this popular mid-size SUV
- 5 Every RAV4 features LED Daytime Running Lights as standard for an extra degree of on-road safety
- 6 A stylish front lower grille with silver detailing is a feature of both the RAV4 AWD Diesel GXL and Limited
- 7 The RAV4 Limited features a power opening back door for added convenience when you have your hands full
- 8 LED tail lights are a feature on every RAV4

- 1 RAV4 AWD Diesel GXL and Limited grades feature a clever keyless entry and start system, enabling you to get in and on your way without fumbling in bags or pockets for your key
- 2 Every RAV4 AWD Diesel features a 6.1” touchscreen display in the centre console, allowing for easy access to audio and Bluetooth-paired phone functions, as well as other vehicle data. Limited feature a high quality 11-speaker JBL Premium Audio system as standard
- 3 Integrated Satellite Navigation augmented by SUNA Traffic real-time travel information is standard in RAV4 GXL and Limited models (traffic information only available in some regions)
- 4 The RAV4 AWD Diesel utilises a six-speed automatic transmission with Super Intelligent Electronic Control (Super ECT) and Artificial Intelligence (AI) to ensure you have the right gear every time and a sequential manual mode
- 5 RAV4 AWD Diesel Limited features a 10-way power adjustable driver’s seat with two position memory, while the driver’s seat in the GX and GXL grades features six-way manual adjustability

RAV4 | Safety

Toyota’s world-leading engineers make sure every RAV4 is ready for whatever comes its way, because you never know what’s around the next corner, whether you’re in the middle of a busy city or out on a country road.

Every 5-Star ANCAP safety rated RAV4 comes with a whole host of high tech safety features designed to protect you and your passengers including the comprehensive seven airbag system.

The comprehensive levels of safety equipment found in the RAV4 include a reversing camera (with static or active guidelines), Traction Control (TRC), Vehicle Stability Control (VSC) which helps ensure safe cornering no matter what the conditions, along with our proven Anti-lock Braking system (ABS), which gives you the confidence to control your ability to stop rapidly when you need to.

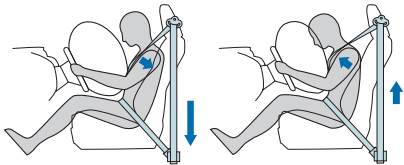

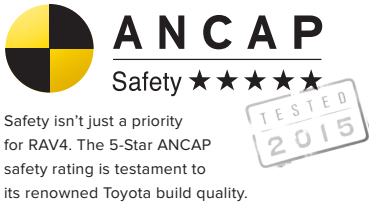

Hill-start Assist Control (HAC) in all models ensures you can smoothly start off from a stand-still on an incline. Downhill Assist Control (DAC) in all-wheel drive models lets you negotiate a steep grade with the assuredness of full vehicle control.

RAV4 GXL and Limited grades feature Blind Spot Monitor (BSM) and Rear Cross Traffic Alert (RCTA) systems. BSM uses radar to detect vehicles or larger objects present in the driver’s blind spots (areas that cannot be seen using the outer mirrors alone). When a vehicle or large object is detected in a blind spot, it will inform the driver by illuminating the BSM indicator light in the corresponding outer mirror. When reversing, RCTA detects cross-traffic that may intersect with your vehicle’s path. When an approaching object (either a vehicle or pedestrian) is detected, RCTA sounds a warning and flashes the outer rear view mirror indicator lights. All models have four rear parking assist sensors, GXL and Limited have four front sensors as well.

Also standard in GXL and Limited grades is the Toyota Safety Sense system. This advanced suite of technologies is designed to help support your awareness and decision-making while out on the road. Toyota Safety Sense incorporates a Pre-Crash Safety System (PCS), Lane Departure Alert (LDA) with Steering Assist Function, Dynamic Radar Cruise Control (DRCC) and Automatic High Beam (AHB).

Electric Power Steering (EPS) is vehicle speed sensitive so low speed manoeuvres require minimal effort while at highway speeds less assistance is provided. The turning circle is a city friendly 10.6m.

Front seat pretensioners instantly tighten the seat belts at the time of a collision to help enhance occupant restraint performance. The force limiter function loosens the seat belts while maintaining the load to help mitigate the impact to the chest regions of the front seat occupants.

RAV4 | Genuine Accessories

When you have the ultimate mid-size SUV for your lifestyle, you need the assurance that accessories you’re adding in order to enhance the practicality and purpose of your RAV4 are up to the task.

Our development team has worked hard to create an extensive range of RAV4 Genuine Accessories; testing, refining and engineering each component to ensure it gives as good as it gets.

The expanded RAV4 Genuine Accessories range includes expertly engineered options for leisure and work-related activities, including a robust nudge bar, side steps, tough acrylic headlight and bonnet protector strips, cargo liner, floor mats and a towbar purpose-designed to support the model-dependant maximum towing capacity of your RAV4.

Front, back, interior and exterior; our range of accessories has the RAV4 covered. Fitting Genuine Toyota Accessories also ensures the integrity of your vehicle, with components tested to exacting standards for New Zealand conditions and backed by a 3 year or 100,000 kilometres* warranty.

*Whichever comes first. Warranty valid from when accessory fitted, at time of new vehicle purchase at your authorised Toyota Dealer.

Nudge Bar - Alloy
This alloy nudge bar is for those who encounter more than the odd sheep on their travels. It's airbag compatible, and has driving light mounts. Plus it looks great.

Cargo liner - this all weather rubber cargo liner will keep your boot protected. It's custom moulded to ensure a secure fit but can be removed and hosed off for easy cleaning. Low deck for space saver wheel shown, full size spare wheel version available.

Headlight Protectors-Acrylic (Clear) - travelling on metal roads? These hard wearing clear acrylic headlight protectors will be invaluable.

Weathershields - Slim-line - This slimline set comes in a light tint acrylic to reduce glare and is resistant to cracking and UV discolouration. Supplied as a set for front and rear doors.

Side Steps - these stylish alloy side steps feature non-slip plastic step plate to assist entry and exit.

Towbar and Wiring Harness - the towbar has a removable tongue and is rated to a braked load of 800/1500/1800kg (depending on model type) - shown with trailer wiring harness and towball.
