2WD RANGE

HILUX 2WD DOUBLE CAB PRERUNNER IN NEBULA BLUE SHOWN WITH ACCESSORIES FITTED

NOTE: Single cab shown with accessory tray

HILUX

THE BENCHMARK.

REBUILT.

Over the years Hilux has become a byword for versatility and reliability the world over. Here in New Zealand this rugged truck is the perfect partner for our go-anywhere, do-anything ethos.

We've enjoyed a relationship with the rugged and dependable Hilux since 1976 and New Zealanders have made it their favourite truck for an incredible three decades.

Hilux delivers you the power to get things done and the fuel efficiency to go further.

Now our expanded 2WD line-up also delivers more choice than ever, with both traditional 2WD utes perfect for the trades, and new SR, SR5 and SR5 Limited PreRunner model options which boast the same superior ride height as our proven 4WD range.

Whatever your busy urban requirements might be, one of our nine 2WD Hilux models will suit your lifestyle. Because whether it's at work or play, this is New Zealand's truck.

Hilux Double Cab SR5 Limited PreRunner

The Hilux provides performance guaranteed. And the range-topping Hilux Double Cab SR5 Limited PreRunner gives you the ultimate urban utility vehicle.

That tough, go-anywhere Hilux DNA underpins what is a truly premium 2WD offering; a versatile, dependable ute that offers an incredible level of standard specification and interior comfort.

In addition to plenty of space for passengers and cargo alike, the Hilux Double Cab SR5 Limited PreRunner builds on the Hilux SR5 PreRunner with exclusive 18" alloys, synthetic leather and an electrically-powered drivers seat.

- 1 The cabin is trimmed with premium quality materials - piano black and silver accents abound while blue illumination adds a classy touch
- 2 Integrated Satellite Navigation is standard in the SR5 Limited model. This system also features SUNA Traffic Avoidance System that provides an alternative route to keep you moving (traffic information only available in some regions)
- 3 A 4.2" full colour Multi-Information Display (MID) is standard in Hilux Double Cab SR5 Limited PreRunner
- 4 The multi-function steering wheel provides the driver with access to Bluetooth connected phone and media, as well as Voice Recognition and Multi-Information Display (MID)
- 5 The Hilux Double Cab SR5 Limited PreRunner features premium synthetic leather upholstery with contrasting silver stitching
- 6 The Hilux Double Cab SR5 Limited PreRunner has the convenience of a keyless entry and a smart start system

- 1 A bold, full chrome horizontal grille design extending into LED headlights underlines the wide stance of the tough and capable Hilux Double Cab SR5 Limited PreRunner
- 2 SR5 Limited PreRunner model features integrated fog lamps with a chrome surround
- 3 The raised ride height of Hilux Double Cab SR5 Limited PreRunner models allow you to see across traffic in busy urban environments, so you're ready for anything
- 4 Braked towing capacity is up to a maximum of 2.8 tonnes, making the Hilux Double Cab SR5 Limited PreRunner a versatile tow vehicle for whatever your work day or weekend requires
- 5 Ideal for heavy-duty towing and load-carrying, Hilux rear leaf spring suspension is longer and mounted wider for SUV-style ride comfort
- 6 18" alloy wheels are exclusive to the Hilux Double Cab SR5 Limited PreRunner
- 7 The matt painted b-pillar treatment accentuates the long, roomy double cab arrangement with comfortable seating for five
- 8 Ground clearance is 286mm for PreRunner models (a 96mm increase over 2WD S versions)

Hilux Double Cab SR5 PreRunner

DOUBLE CAB SR5 PRERUNNER UTILITY 2.8 DIESEL TURBO 6-SPEED IMT MANUAL

DOUBLE CAB SR5 PRERUNNER UTILITY 2.8 DIESEL TURBO 6-SPEED AUTO

The popular Hilux Double Cab SR5 PreRunner gives you all the benefits of Toyota's rugged-looking 4WD set-up, without the extra weight of the heavy duty 4WD system.

This is the ultimate dual purpose truck; as versatile and practical on the work site as it is taking the family away on that long-awaited road trip.

The Hilux Double Cab SR5 PreRunner is designed to deliver everything we look for in a modern ute, with rugged exterior styling and the new powerful and efficient 2.8-litre four-cylinder turbo diesel engine under the bonnet, paired with a comfortable interior featuring convenience items such as Satellite Navigation and a reversing camera as standard. The Hilux Double Cab SR5 PreRunner redefines what a 'family vehicle' can truly be.

- 1 The SR5 PreRunner is available with either a six-speed iMT manual or six-speed automatic transmission
- 2 Integrated Satellite Navigation is standard in SR5 models. This system also features SUNA Traffic Avoidance System which provides an alternative route to keep you moving (traffic information only available in some regions)
- 3 In the Hilux Double Cab SR5 PreRunner the Climate Control Automatic Air Conditioning system is accessed through intuitive LCD display controls
- 4 The Hilux SR5 PreRunner has keyless entry and a smart start system
- 5 The cabin is trimmed with premium quality materials - piano black and silver accents abound while blue illumination adds a classy touch

- 1 The 2WD Hilux Double Cab SR5 PreRunner boasts the ride height of Toyota's 4WD Hilux models
- 2 17" alloy wheels are standard on Hilux Double Cab SR5 PreRunner variants
- 3 All Hilux Double Cab SR5 PreRunner models feature privacy glass in the rear doors, offering extra security and sun protection
- 4 Designed to suit the changing nature of urban family life, the Hilux Double Cab SR5 PreRunner provides plenty of room for all your toys in the wellside tray
- 5 The revised suspension system includes a front stabiliser bar and shock absorbers which enhance durability and provide better control of body roll and impact harshness
- 6 The Hilux Double Cab SR5 PreRunner features a wide front track of 1535mm, helping underpin the superior stability the ute exhibits on those twistier back roads
- 7 Every Hilux features large ventilated front disc brakes for improved stopping performance
- 8 The new Euro 5 compliant 2.8-litre four-cylinder turbo diesel engine is quiet, clean and very fuel-efficient

Hilux Double Cab PreRunner

DOUBLE CAB PRERUNNER UTILITY 2.8 DIESEL TURBO 6-SPEED MANUAL

DOUBLE CAB PRERUNNER UTILITY 2.8 DIESEL TURBO 6-SPEED AUTO

With Hilux Double Cab 2WD PreRunner you can now have a ride height of 286mm - the same as its 4WD cousins.

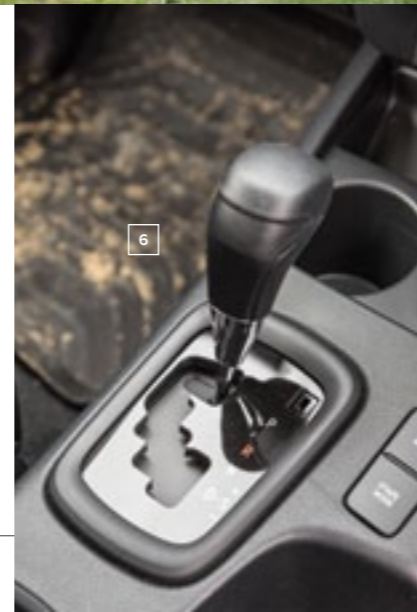

Powered by the new flexible and efficient 2.8L turbo diesel all that's left to decide on is transmissions - six-speed auto or six-speed manual.

The six-speed auto delivers an incredible 450Nm of torque between 1600rpm and 2400rpm while the six-speed manual delivers 420Nm of torque between 1400rpm and 2600rpm.

Delivered on standard 17" steel wheels the Double Cab PreRunner is the perfect canvas to personalise with a selection of Genuine Toyota Accessories.

- 1 All the hallmarks of the Hilux 4WD's rugged exterior design remain on the Double Cab PreRunner version, including a wide horizontal grille and muscular wheel arches
- 2 Recessed tie-down points along the lip of the tub ensure wellside tray-equipped Hilux 2WD Double Cab utes arrive ready to secure bulky loads with ease
- 3 The Hilux 2WD Double Cab features 17" steel wheels as standard
- 4 Heavy-duty suspension and a maximum payload of 970kg means the Hilux 2WD Double Cab PreRunner remains a truly versatile load carrier
- 5 A superior ride-height ensures the Hilux 2WD Double Cab PreRunner makes for perfect all-purpose team transport, even if you don't require 4WD
- 6 As well as operating in standard mode all Hilux models can be operated in ECO Mode when the driving is easy or Power Mode when the going gets tough

- 1 The Hilux 2WD Double Cab boasts a six-speaker stereo system accessed through a 7" touchscreen
- 2 The Hilux 2WD Double Cab features plenty of handy technology onboard, such as a reversing camera on utes fitted with wellside trays
- 3 There is plenty of room for the whole crew inside the Hilux 2WD Double Cab, with 1480mm of shoulder room and 1168mm of cabin height between the floor and head-lining
- 4 The Hilux 2WD Double Cab boasts a comprehensive 7 airbag system that includes front and rear curtain airbags
- 5 Three-point Emergency Locking Retractor (ELR) seatbelts are provided for all five seating positions in the Hilux 2WD Double Cab

Hilux Double Cab

DOUBLE CAB UTILITY 2.8 DIESEL TURBO 5-SPEED MANUAL

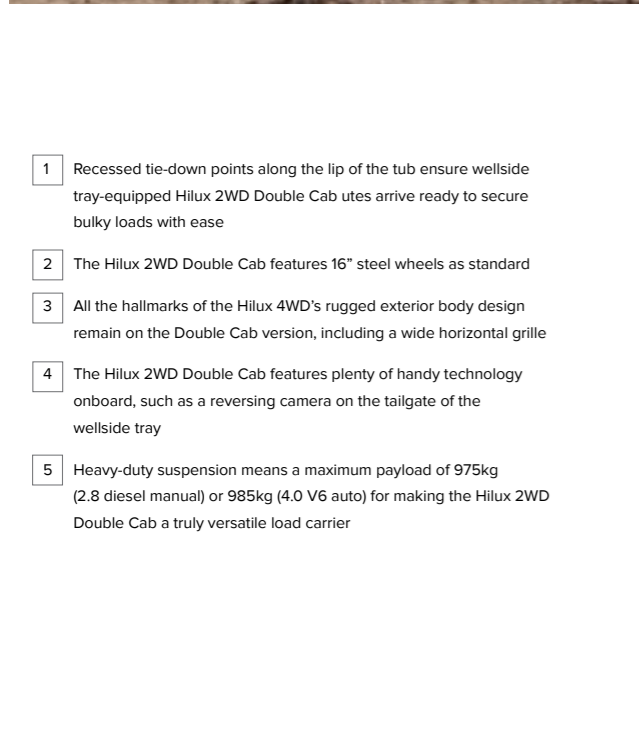

DOUBLE CAB UTILITY 4.0L V6 PETROL 6-SPEED AUTO

If a standard ride height suits your daily routine, the trusty Hilux Double Cab 2WD is the model for you.

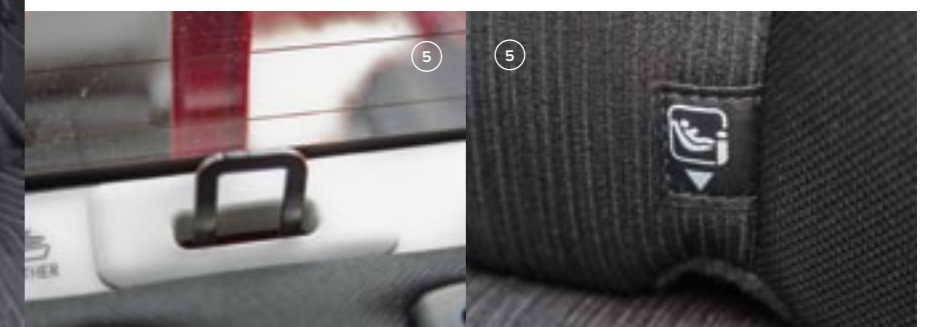

Decide between the new fuel efficient 2.8-litre turbo diesel engine with a five-speed manual transmission or the powerful 4.0-litre V6 petrol with a six-speed automatic transmission.

If it takes a team to tackle your task at hand, the Hilux Double Cab is the vehicle to transport you and your crew to your next job site.

- 1 Recessed tie-down points along the lip of the tub ensure wellside tray-equipped Hilux 2WD Double Cab utes arrive ready to secure bulky loads with ease
- 2 The Hilux 2WD Double Cab features 16" steel wheels as standard
- 3 All the hallmarks of the Hilux 4WD's rugged exterior body design remain on the Double Cab version, including a wide horizontal grille
- 4 The Hilux 2WD Double Cab features plenty of handy technology onboard, such as a reversing camera on the tailgate of the wellside tray
- 5 Heavy-duty suspension means a maximum payload of 975kg (2.8 diesel manual) or 985kg (4.0 V6 auto) for making the Hilux 2WD Double Cab a truly versatile load carrier

- 1 The Hilux 2WD Double Cab boasts a six-speaker stereo system accessed through a 7" touchscreen
- 2 The Hilux 2WD Double Cab boasts a comprehensive 7 airbag system that includes front and rear curtain airbags
- 3 There is plenty of room for the whole crew inside the Hilux 2WD Double Cab, with 1480mm of shoulder room and 1168mm of cabin height between the floor and head-lining
- 4 Three-point Emergency Locking Retractor (ELR) seatbelts are provided for all five seating positions in the Hilux 2WD Double Cab
- 5 All Double Cab models have 2 ISOFIX points and 2 Tether Anchors in the rear seat

Hilux Extra Cab utility & Single Cab Chassis

EXTRA CAB UTILITY 2.8 DIESEL TURBO 5-SPEED MANUAL

SINGLE CAB CHASSIS 2.8 DIESEL TURBO 5-SPEED MANUAL

Tray not included

NOTE: Single cab shown with accessory tray fitted

- 1 It might be a straightforward machine, but the Hilux 2WD S Cab Chassis still benefits from Toyota's updated Hilux styling cues
- 2 Halogen headlights, halogen Daytime Running Lights and a bold, horizontal grille design give the Hilux 2WD Single cab chassis and Extra cab utility a recognisable face
- 3 A reversing camera features on all Hilux models fitted with a wellside tray configuration
- 4 Build on your Hilux Cab Chassis even further with Toyota's extensive range of Genuine Accessories
- 5 The Hilux 2WD Single Cab Chassis features convenience technology such as cruise control, power windows and Bluetooth phone connectivity and audio streaming. A large capacity centre console box ensures there is plenty of storage in the cabin
- 6 A high quality stereo system is standard - Single cab has two and Extra Cab has four door mounted speakers
- 7 Driver and front passenger seats flip forward easily in the Extra Cab, giving you one-touch access to the rear bench behind. The rear bench provides room for extra crew when needed, as well as convenient and secure storage underneath the squabs. Robust fabrics ensure that the interior surfaces of all Hilux are up to the challenges of a busy working life

With the ability to take longer loads Hilux Extra Cab also scores big on interior convenience extra storage, extra comfort and extra emphasis on the important details.

There is no compromising on high tech specification items either, such as an integrated reversing camera, or all the convenience of Bluetooth phone connectivity and audio streaming.

The Single Cab Chassis is a classic workhorse, ready for you to add your own personal specification with a tray design to suit your specific needs. With the proven power of Toyota's 123kW/343Nm four cylinder turbo diesel engine onboard, this is the most adaptable Hilux model available; fit-for-purpose straight out of the box, but with that little bit more.

Hilux Safety

Take two examples of the exact same model Hilux, with the exact same spec. Chances are these two trucks will lead completely different lives; one might rarely see a paved road ever again, while the other might never leave tarmac. One might carry work tools and fencing wire, while another will routinely transport a family of five.

Aside from their rugged reliability, the other common bond these two trucks will continue to share is Toyota's commitment to safety. Our engineers make sure every single Hilux is ready for whatever comes its way, both on and off the road.

Comprehensive standard safety features include a reversing camera on all wellside tray-fitted variants and an accessory camera available for cab-chassis buyers.

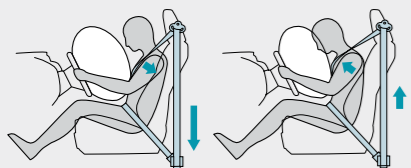

Every Hilux is 5-Star ANCAP safety-rated. Hilux 2WD models feature our proven Anti-lock Braking system (ABS), which gives you the confidence to stop rapidly when you need to and an emergency stop signal that blinks the hazard lights to alert following drivers of a potential incident ahead. Electronic Brake force Distribution (EBD) and Brake Assist (BA) provide even more control.

All models feature intuitive Vehicle Stability Control (VSC) ensuring safe cornering no matter what the conditions, because you never know what's around the next corner.

Our 2WD Hilux range also features driver and passenger front and side airbags, drivers knee and front curtain shield airbags. Extra Cab and Double Cab models also boast rear curtain shield airbags, and every model is fitted with three-point ELR seat belts in all seating positions. Seat-belt reminders are fitted standard to front seats in all variants and for rear seats on Double Cab models.

Safety isn't just a priority for Hilux. The 5-Star ANCAP safety rating is testament to its renowned Toyota build quality.

Front seat pretensioners instantly tighten the seat belts at the time of a collision to help enhance occupant restraint performance. The force limiter function loosens the seat belts while maintaining the load to help mitigate the impact to the chest regions of the front seat occupants.

Hilux Accessories

You can't build the sort of solid reputation the Hilux range enjoys without testing, refining and engineering a vehicle to ensure it gives as good as it gets.

While reliable performance both on and off the road is a given, our development team has also worked hard to create an extensive range of Hilux Genuine Accessories.

The expanded Toyota Genuine range also includes redesigned regulars for leisure and work-related activities, including a towbar purpose-designed to support the maximum towing capacity for the Hilux of 2800kg for 2WD PreRunner models and 2500kg for 2WD low models. The range also includes familiar items such as bonnet and headlamp protectors, rear park assist sensors, side steps and roof racks.

Because every Hilux is expected to perform a specific task, over 200 individual accessory options are available to help tailor your vehicle to your needs. Front, back, interior and exterior; the Hilux is covered.

Fitting Genuine Toyota Accessories also ensures the integrity of your vehicle, with components tested to exacting standards for New Zealand conditions and backed by a 3 year or 100,000 kilometres* warranty.

*Whichever comes first. Warranty valid from when accessory fitted, at time of new vehicle purchase at your authorised Toyota Dealer.

Hilux PreRunner SR in Nebula Blue shown with;

- 1 Nudge Bar.** Made from easy care high polish stainless steel this nudge bar is fully SRS airbag compatible and has driving light mounts. Not only does it provide additional protection to the front of your Hilux, it looks stylish and gives the the front of your truck some real road presence.
- 2 Roof Racks.** Whipbar through-bar shown. Both the full range of Yakima/Whispbar and RhinoRack roof racks and accessories are available from your local Toyota dealer. Whatever roof mounted option you require - trade or leisure, there will be a suitable option for your needs.
- 3** This is the business end of the Hilux, and there are multiple accessory options available for the well-side -depending on what the final use of the vehicle is. We have genuine deck liners, tonneau covers, hard lids and canopies in a range of types and styles. The well-side can even be removed and replaced with a tray! Check out the on-line configurator or talk to your local Toyota dealer.
